PRICE FIVE CENTS

TO NOMINATE 200 ON MAY 18 BY WRITE-INS

There will be more than 200 party candidates to be chosen by the "write-in" method at the May 18 primary election.

By the time the county election board office closed at 4 o'clock Tuesday afternoon, the deadline for candidates to file petitions to put their names on the ballot, 490 had been received.

That number was about 160 short of the more than 600 needed to have one name on the Republican side, and one on the Democratic side for each of the local offices for which nominees will be chosen in May.

9 FOR TAX COLLECTOR

And because there were at least several petitions for tax collector in most districts, the number of blank spaces on the ballot will be larger than the total of petitions would indicate. While tax collector, which is becoming a well paying position throughout the county, is attractive, such posts as auditors, assessors, constable, etc., in many instances failed to attract candidates.

The "biggest" fight for party nomination for tax collector, according to the list of petitions, is in Menallen Twp. where eight persons are seeking the Republican nomination for that office. There is only one candidate for tax collector on the Democratic side in Menallen but that township is strongly Republican.

The petitions also disclosed that Joseph Clabaugh, the first mayor of Bonneville, will not seek re-election. He filed no petition for the nomination there. Two others however filed for that post.

LIST BY DISTRICTS

The list of petitions filed in the county districts other than Gettysburg follow.

ABBOTTSTOWN
Republican, Wilmer Rodgers, councilman; Democratic, Allen L. Leib, mayor; Raymond M. Lillich, judge of elections; M. Naomi Meckley, inspector of elections; Geraldine V. Hafer, tax collector; W. Arthur Diehl, assessor; Burnell D. Worley, Garnet L. Zimmerman, John H. Lillich, Paul E. Lookenbill, all for councilman.

ARENDTSTOWN
Republican, J. Charles Bushey, tax collector; Lawrence T. Wade, judge of elections; Hazel E. Her-ring, inspector of elections; William A. Coradetti and John W. Frederick, councilman; Hobart E. Benchoff, auditor; Democratic, Clair J. Clapsaddle, Louis N. Diehl, councilman; Betty H. Bohrer, tax collector; Herbert Cluck, mayor; Vernon G. Bosserman, inspector; J. Blain Hartman, auditor; Clair M. Jacobs, judge of elections; Clark N. Hartman, assessor; Janice I. Heffner, justice of the peace.

BENDERSVILLE
Republican, Marvin G. Kime, Carl O. Taylor, tax collector; Robert L. Kime, George L. Schriver, Edward D. Singley, Mervin E. Showers, all for councilman; Myrtle Lerew, auditor; Harry Lerew, assessor; Dith Crum, inspector of elections; L. D. Orner, judge of elections; Democratic, Dorothy M. Clark, judge of elections; Dale E. Clark, justice of the peace; Roy R. Starnes, tax collector.

GHS STUDENTS WILL SEE PLAY

The Owl and Nightingale Players of Gettysburg College will present their second annual performance of classical drama for high school students this evening. The Junior and Senior classes of Gettysburg High School will see a production of Richard Brinsley Sheridan's "The Rivals." This is to be given as a special matinee and will be followed by three evening performances for the public Thursday, Friday and Saturday. Tickets may be obtained free at the Student Union building or Duane Johnson's bookstore.

The annual series of high school matinees was begun last year in connection with the 400th anniversary of Shakespeare's birth. At that time a production of Shakespeare's "Othello" was presented. The program is to be continued so that the students of this area may see plays that they might not otherwise be able to see and to aid them in developing an appreciation of the drama.

Youth To Dance Saturday Night

The Gettysburg Youth Center will hold a semiformal dance at the Hotel Gettysburg Saturday night in an effort to raise funds to meet its mortgage payments.

"The Big Beat Six" will provide music for the dance to be held from 8 to 11 o'clock and the cost will be 75 cents per person. Mrs. Rex Maddox, advisor for the Youth Center said several door prizes will be offered during the course of the evening.

2 ORCHESTRAS WILL PERFORM FRIDAY NIGHT

On Friday at 7:30 p.m. the Gettysburg School Orchestra and the Gettysburg Elementary Orchestra will present their winter concert in the Gettysburg High School auditorium. The program will feature orchestral selections as well as special solos and group selections.

The program will include: "The Star Spangled Banner," Smith; "Gavotte," Bach; and "Minuetto" by Fischer will be played by the combined orchestras which number 90 string and wind players.

The second section will be played by the elementary orchestra and the program will include: "Chanson de Florian," Godard; "Two Student Songs" arranged by Jurey; and "Kindermarch" by Schubert. The third section will be performed by the Keefeauver String Octet and they will play "March," Handel; and selections from "Hansel and Gretel," by Humperdinck. There will be an interlude by Betty Hostetter on the harp and Doug Hale, flute.

LENTEN TALKS TO BE GIVEN IN LOCAL CHURCH

Midweek Lenten services will be held at Christ Lutheran Church at 7:30 p.m. this evening. Next Wednesday the service will start at 7 p.m.

This evening the pastor, Dr. Robert W. Koons, will introduce a series of messages on the general theme "The Language of the Word," which are intended to show how God communicates to man in the modern world through various media, particularly the expressions of the arts. His introductory sermon, "The Language of Confusion," will deal with the tower of Babel story from the Book of Genesis and will focus upon the alienations among men which prevent them from communicating with and understanding one another.

OTHER SPEAKERS

On March 17, Frederick Reisz, a senior at the Lutheran Seminary, will speak on "The Language of Poetry." March 24, Dr. Bruce Bugbee, of the Gettysburg College faculty, will speak on "The Language of Sculpture." March 31, Prof. Francis Reinberger, of the seminary faculty, will speak on "The Language of Liturgy," emphasizing its role in the con-

Marine Officer Is Killed Another Is Wounded In Blistering Viet Nam Battle

By MALCOLM W. BROWNE
SAIGON, South Viet Nam (AP) — A blistering battle near the mountain town of Hoai, 285 miles northeast of Saigon, claimed the lives of a U.S. Marine officer, 18 Vietnamese soldiers and more than 63 Viet Cong. American military spokesmen reported today.

Another U.S. Marine officer received a gunshot injury in the right cheek in the battle Tuesday and was evacuated to a field hospital at Nha Trang.

OVERRUN OUTPOSTS

Communist guerrillas overran three outposts outside Hoai before dawn. Vietnamese marine reinforcements sent to the area encountered the Viet Cong about half a mile from the town, and fighting raged for two hours.

5 CANDIDATES FOR TAX POST IN BOROUGH

Gettysburg will have names on the ballot at the May primary for most party nominations except assessor. Only one candidate had filed for that office, Eugene C. Shriver, 316 Baltimore St., the incumbent and a Republican, in the First Ward. There are no petitions filed for the Democratic assessor nomination in First Ward, nor for either party nomination in the Second and Third Wards.

William G. Weaver, 225 S. Howard Ave., the incumbent, is the only candidate for the Republican nomination for mayor. Gilbert P. Lupp, 49 S. Fifth St., is the only nominee for the Democratic mayor nomination.

Tax collector brought out the largest number of candidates. Daniel J. Wolff, 143 Chambersburg St.; Jacob G. Appier, 141 E. Broadway and Jeanne S. Harner, 241 E. Lincoln Ave., are seeking the Republican tax collector nomination. Fred C. Little, 124 Gettys St., and Glenn F. Weishaar, 638 Red Patch Ave., are both seeking the Democratic nomination for the tax collector post.

TOWN COUNCIL CONTESTS

The petitions show that First Ward Councilman Mahlon P. Hartzell, whose term expires this year, is apparently not seeking renomination. Robert N. Hefflin, 153 E. Middle St., and Richard L. Altomose, 140 Barlow St., have filed for the Republican First Ward councilman nomination. John Edward Kerrigan Sr., 368 E. Middle St., and Mares Sherman, 123 E. Broadway, are seeking the Democratic nomination for the First Ward councilmanic post.

In the Second Ward Philip M. Jones, 114 W. Broadway, the president of council, is seeking the Republican nomination for councilman and W. H. Armor, 447 W. Middle St., has filed for the Democratic nomination.

In the Third Ward, John A. Welshonch, 226 Gettys St., incumbent councilman and Rebecca Zinn Schwenk, 261 Baltimore St., a former councilman, are both seeking the Republican nomination for council. Otto T. Benda, 301 Highland Ave., has filed for the Democratic nomination.

John W. Fox, 29 E. Lincoln Ave., has filed for the Republican nomination for borough auditor. There were no Democratic petitions for the office.

SCHOOL BOARD RACE

Robert W. Weaver, 244 Springs Ave., and Robert D. Barnes, 309 Ridge Ave., have filed for Republican nomination for Gettysburg area school director. Roy E. Thomas, 645 Johns Ave., has filed for the Democratic nomination for that office.

Mrs. Marcella I. Harpster, 240 Baltimore St., Republican, is the only person to file for the nomination for justice of the peace. She

BOARD CLEARS SCHOOL BUDGET OF \$565,429

The Littlestown Joint Board Tuesday evening tentatively approved a budget of \$565,429 for the 1965-66 school term, an increase of about \$41,000 over last year. The proposed budget will be open for inspection for 30 days and will be adopted at the April meeting of the school board.

In discussion of the increase, due in part to mandated salary increases for teachers and the purchase of one new bus, the individual boards of the jointure were advised that they may have to increase their taxes slightly to meet their individual shares of the additional budget figure. Supervising Principal Paul E. King said that the county commissioners have promised to release assessed evaluations by April 1, but added, "these figures may not change much this year." He reminded the directors that the state appropriation will remain constant at \$6,800 per unit, so that the districts may not expect any additional funds from that source next year.

CANCEL MERGER PLAN

King said, "This was one of the reasons we were so anxious to go into an early merger, because it would have meant about \$12,000 or \$15,000 in additional appropriations." The board indicated, however that even if the state announces a county plan for reorganization this week as expected, "it will be too late for us to clear the plan for this year."

The new budget is based on an income from all sources of \$565,429, which includes remittance from the four districts as follows: Littlestown, \$200,099; Mt. Joy Ind., \$33,502; Mt. Pleasant Twp., \$33,502; and Union Twp., \$112,890. Expenditures include \$411,370 for instruction and \$16,000 for administration. A reserve balance of \$10,000 has been set up this year.

The board accepted the recommendation of the property and supply committee for a number of maintenance jobs at both schools, including cleaning and spot-finishing the gym.

Mrs. Shindledecker Dies On Tuesday

Mrs. Fannie Alice Shindledecker, 82, widow of Samuel Shindledecker, died at the home of her son-in-law and daughter, Mr. and Mrs. Clyde E. Sloat, Gettysburg R. 3, Tuesday afternoon at 4:45 o'clock. She had been ill for 10 weeks.

Mrs. Shindledecker was a daughter of the late James and Margaret (Snyder) Bigham and was a lifelong resident of the county. She was a member of the Fairfield United Church of Christ and of the Sons of Veterans' Auxiliary of Gettysburg. Surviving are four children, Harold Bigham, Mrs. Clyde E. Sloat and Mrs. Robert Bushman, all of Gettysburg R. 3, and Mrs. Ernest G. Click, Taneytown R. 1. There are four grandchildren and five great-grandchildren.

The funeral will be held Friday afternoon at 2 o'clock at the Wilson Funeral Home in Fairfield with her pastor, the Rev. Robert N. Paden, officiating. Interment will be made in the Fairfield Union Cemetery. Friends may call at the funeral home Thursday evening after 7 o'clock.

L. W. KESSEL PASSES AWAY

Lester W. Kessel, 80, died at 3:35 this morning at his home, Gettysburg R. 3.

A son of the late Samuel T. and Mary (Van Fleet) Kessel, he was a member of the Gettysburg Church of the Brethren and a life member of the Eagles lodge here.

Surviving are his wife, the former Myrtle Judy; three children, Samuel T. Kessel, Gettysburg R. 3; Lester W. Kessel Jr., Fall Brook, Calif., and Mrs. Mary F. Shenon, Gettysburg R. 3; eight grandchildren; a brother, Evers Kessel, Gettysburg R. 6 and two daughters, Mrs. Thekla McCall, Biglerville and Mrs. Mila Reel, Elmira, N.Y.

Funeral services Saturday afternoon at 2 o'clock from the Gettysburg Church of the Brethren with the Rev. Merlin Shull officiating. Interment in the Marsh Creek Cemetery. The body will lie in state at the church from 1 to 2 o'clock Saturday afternoon. Friends may call Friday evening after 7 at the Peters Funeral Home, Carlisle St.

84 LUMBER CO. OPENS BRANCH IN THIS AREA

The 84 Lumber Company today announced the "Grand Opening" of another of their lumber yard outlets on Route 15, near Dillsburg, on Thursday. The Dillsburg yard will be the 19th in 84's rapidly growing chain of high volume outlets for all home building, repairing and modernizing needs.

There will be special events for everyone in the family at the opening celebration. Drawings for free prizes for the adults and free gifts and lollipops for the children.

Officers of 84 Lumber Company, Joe and Bob Hardy, said that one low price prevails on all products no matter how small or large the order. "This means that the individual homeowner can realize the same savings as the builders and other volume buyers at 84," they said.

LARGE VOLUME

The Hardys say they can do this because of their large volume purchases and modern merchandising methods. Last year, they point out, 84 Lumber Company "sold over 2,800 carloads of the finest west coast lumber at below the prevailing wholesale prices."

With over 4,000 items in its inventory system, from paints to

Plan Candy Sale For Trip To Fair

Plans for a sale of candy to help raise funds for a trip to the World's Fair were made at a meeting of the Boy Scout Troop 79 committee Monday evening at St. James Lutheran Church. The sale will start April 5. It was reported 41 have signed to date to make the trip.

The advancement committee reported on six second class advancements and one tenderfoot advancement.

It was reported that 11 have signed up to attend Camp Tuckahoe.

Plans were started for the organization of a drum and bugle corps by the troop.

MISS M. AYRE NAMED WINNER OF CLUB PRIZE

Miss Molly Ayre, daughter of Mr. and Mrs. William S. Ayre, 1210 Long Lane, and a Senior at Gettysburg High School was announced as the winner of the annual Soroptimist Foundation Award at the monthly dinner held at Peace Light Inn, Tuesday evening.

Mrs. H. W. Baker, president of the club, made the announcement and presented her with a \$25 U. S. Savings Bond, an engraved certificate and an engraved sterling silver charm. She will compete for the national award of \$2,500.

Miss Ayre is editor-in-chief of the Maroon and White, president of the local chapter of the American Field Service, member of Mask and Wig Dramatic Society, Quill and Scroll, the student council, choir and the Girls Athletic Association. She was secretary of her Junior class and of the student council. She was the DAR American History award in her junior year and placed first in the Junior Actuarial Mathematics test. She plans to enter Pennsylvania State University and will major in hotel administration.

SIX COMPLETED

Six high school Senior girls competed for the honor. Qualifications included service, dependability, leadership and clear sense of purpose, cooperation, courtesy, consideration for others, truthfulness, loyalty and punctuality, self-control, dignity, responsibility and sincerity in pursuing selected endeavors. Other requirements were good moral character and genuine interest in family, community, national and world affairs. In addition to stating her aims and purposes the candidate had to write an essay of not more than 250 words on "My Responsibility As a Citizen."

Miss Dorothy Curtis, co-chairman of the public affairs committee, was toastmistress, and presented the six contestants who gave a brief resume of their activities at school and plans for

GUISE TALKS TO SORORITY ABOUT PENNA.

Richard Guise told the members of Beta Sigma Phi, Epsilon Delta Chapter, at their meeting at the Adams Electric building Tuesday evening that they "should be counted in" on Governor Scranton's project to promote industry and recreation in Pennsylvania. He said they could do this by being "ambassadors" to sell the idea of Pennsylvania as a desirable place for industry and recreation by their personal attitude toward their own community life. He said Pennsylvanians must use a positive approach and urge others to visit our state. He pointed out how the community benefits from the tourist trade which is the second largest industry in the state.

Preceding Guise's talk on "The 100,000 Pennsylvania," the group enjoyed a covered dish social with Joy Fair, chairman of the social committee in charge. Hostesses for the evening were Peggy Hoff and Susie March.

Minister, Badly Beaten By Whites In Selma, Ala., Undergoes Brain Surgery

By KELSO STURGEON
SELMA, Ala. (AP) — Civil rights leaders planned a new march on the Dallas County Courthouse today after a demonstration by about 2,500 persons, including hundreds of the nation's ministers, ended with violence.

However, after the demonstration was over Tuesday, three white out-of-town ministers were beaten by five or six white assailants and one of the victims was in critical condition.

DEFY COURT ORDER

Marchers in Tuesday's demonstration, conducted in defiance of a federal court order and a plea by President Johnson, turned around peacefully when they were confronted with a human wall of state police. Before the march started, a representative of President Johnson's administration had conferred with three of the principles in the Selma civil rights

Commissioners Pay \$55,000 Debt

The Gettysburg Compiler Co. paid for its 33 acres of land along the Harrisburg Rd. Tuesday afternoon and the county commissioners immediately voted to pay off the \$55,000 debt still remaining from the construction of the county home in 1961.

Approval was given by the Adams County court Monday morning for sale of the former county home land east of the Harrisburg Rd. for \$100,000 to the Compiler Co., which rents the land to Radio Station WGET.

The commissioners agreed to lower the assessment on the Lyda Rouzer Missionary Home in Biglerville. According to information given the commissioners the lower floor is used as a missionary rest home and the second floor is rented to a trustee for the home.

Work continued Tuesday on the budget for the current year.

SCHOOL HOSTS AFS STUDENTS AND "PARENTS"

"Peace Through Understanding" will be the theme for the second annual international program to be held at Biglerville High School Friday to honor exchange students in the U. S. under the American Field Service program.

Twenty-two students from schools in York, Lancaster, and parts of Maryland will arrive Friday morning to spend the day in Biglerville and present programs from their native lands. Half of the students will perform at an assembly in the afternoon; the others will present their skits and songs during the evening program at 8 o'clock. Donald B. Hudson, superintendent of schools, will be commentator for a panel discussion at that time also. The public is invited to attend this program.

Approximately 55 persons, including American "brothers and sisters," student council members, "parents" and teachers, are expected to accompany the students to Biglerville. During the afternoon they will tour the Gettysburg Battlefield while the exchange students get acquainted and practice their various presentations. Following the afternoon assembly for students of B.H.S., several closed discussions will be held. Donald Sterner, Biglerville guidance counselor, will take charge of the adults; Delmar Crum, Student Council president, and Debbie Beidler, will lead the American Student group; and Carol Houck and Amy Shetter will discuss various problems with the exchange students.

A banquet will be held in the cafeteria, prior to the evening program.

Friday will terminate Biglerville's International Week and their all-out campaign to sell AFS shares for helping to pay for next year's exchange student.

OLEN C. SHANK, PAINTER, DIES

Olen C. Shank, 67, Littlestown R. 2, a retired painter, died this morning at 6:50 o'clock at the Warner Hospital where he had been admitted as a patient Tuesday evening. He had been in failing health for some time.

He was a son of the late William J. and Georganna V.

ALERT BANK CLERK HELPS NAB THIEVES

Efforts of three young men to obtain coin wrappers for "a large amount of change" led to their apprehension here Tuesday morning and their return to Maryland on burglary charges today. Clerks at the Adams County National Bank in McSherrystown became suspicious Tuesday morning when three poorly garbed young men, all badly in need of haircuts and apparently more used to poverty than to wealth, come in for wrappers and displayed a large amount of change which they wished to wrap.

The clerks, as the young men left, secured the license number of their car and phoned state police here. The officers telephoned Gettysburg to help locate the car and state and borough police converged on the vehicle on York St.

ADMITTED BURGLARY

In the car was "a large quantity" of money, much of it in change, police said, and they questioned the trio at some length. The three admitted, police said, that they had burglarized the Johnson's Restaurant and Bar on Nabb's Creek Road, Pasadena, Anne Arundel County, Md., early Tuesday morning.

The officers brought fugitive charges against Emory Lee Stator Jr., 20, of 410 Freeman St., Baltimore; Willie Michael Willis, 25, of 273 Old Annapolis Blvd., Pasadena, Md., and an unnamed 17-year-old juvenile, before Justice of the Peace Robert P. Snyder in order to hold them overnight.

This morning Cpl. Bozak and Patrolman Lohman of the Anne Arundel County police arrived here. The three fugitives were taken before Judge W. C. Sheely in open court where they waived extradition and the Maryland officers took the trio back to Anne Arundel County.

SENT TO JAIL FOR FAILING TO PAY HIS COSTS

Kenneth F. Wagaman, 27, Gettysburg R. 3, was ready for the Adams County court this morning.

Called to explain why he had not paid \$328 court costs from four prior cases, Wagaman brought with him a large paper shopping bag. The court asked what the shopping bag contained. Wagaman replied it held his clothes in case he would be sentenced to jail.

The court agreed Wagaman needed the extra clothing, revoked his parole and sent him to jail for failure to pay the costs.

SUPPORT ORDER

Willis D. Kepner, Littlestown, was directed to pay \$18 per week for the support of five children following a nonsupport hearing. He also was ordered to post bond of \$500 and pay the costs.

A nonsupport charge brought against Lester F. Hertz, Hanover R. 4, was continued indefinitely following a hearing. The court noted that while the husband gave Mrs. Hertz money, support in the form of food and housing had been provided. It was recommended that the attorneys for the parties get together and work out some agreement for support by which Mrs. Hertz could live separately from Mr. Hertz. The couple's 17-year-old daughter said her mother was the cause of the difficulties between the couple.

A support order against Mearl Lebo, Carlisle, was ordered terminated, with Lebo to pay a \$100 dental bill.

The nonsupport case against John H. Allison, New Oxford, was continued for six months, to terminate then unless reinstated in the meantime. The support order against Glenden Collier, Gettysburg, was terminated following a hearing.

BOROUGH WILL REPAIR SEWER TO END FLOODS

Biglerville borough will make immediate arrangements to prevent further sewerage flooding of residents' basements after council Tuesday evening at their regular meeting discussed the situation which occurred during recent heavy rains.

Four borough residents were present to ask council and the engineer what steps can be taken to prevent flooding in the future and explained that the firemen pumped water from the sewer and their homes for 13½ hours Friday. The engineer explained that the trouble stems from infiltration of too much surface water into the system and immediate steps will be taken to correct the situation.

DONATION TO FIREMEN

The borough voted a \$75 donation to the fire company for the use of the equipment during the rain Friday, paid for their meals at Lupp's Restaurant and paid the men working by the hour to supplement them for time lost from their regular jobs. Councilmen and residents present commended the firemen for their service.

Fire Chief Robert E. Baker asked the borough for stones at the rear of the engine house. The highway committee reported that repairs will be made to Third and Fourth Sts. in the near future.

Permission was granted to the Biglerville Garden Club to place "litter bug" containers in the borough.

STUDY BUILDING PLAN

The building committee from the fire company was present and decided to meet with council's property committee this month and report at the next meeting. The property committee consists of Paul Cooley, Fred Bream, Kenneth Lawver and Elmer Yoder.

The safety committee reported that they had a request for a stop sign at the intersection of Rice Ave. and Franklin St. No action was taken.

Council instructed Secretary Earl Ecker to write letters to the congressman and assemblyman in reply to a request from the state Association of Boroughs stating they adopted a resolution to repeal Act 299 of 1963, the mandatory school consolidation law.

Receipts in the general account were \$16. Bills totaled \$430.30. Receipts in the sewer fund were \$8,087.92 and the bills totaled \$803.57 including the donation to the firemen.

The meeting was attended by seven councilmen. Mayor Robert Kluck, residents Edward Bowers, Clyde Kehr, Mrs. James Shetter and Mr. and Mrs. Granville Grubbs, Firemen Robert Baker, Roy Kuykendall and Mervin Weichert. President Elmer J. Yoder presided at the meeting.

John Sanders, a past governor of the local lodge, showed color slides of Moosheaven.

Two new candidates, Mrs. Hazel Ogden and Mrs. Gladys Rowe, were enrolled. Mrs. Sara Kint, senior regent, presided at the business session with 20 present. The door prize went to Virginia Lauer, the Good of the chapter award to Amanda Walker and the chapter night award to Mary Fridinger. Bess Kapp, the group's representative to the County Home Auxiliary, reported on that organization's recent meeting. Refreshments were served.

Foster C. Beard, 113 Carlisle St., is recovering satisfactorily at his home after major surgery of the throat and neck in Holy Spirit Hospital, Camp Hill.

ROTC Ceremony At Ritchie Thursday

The 710th Air Force ROTC Detachment of Gettysburg College will hold its third annual dining-in ceremony at the Fort Ritchie, Md., officer's mess, on Thursday. The custom of "dining-in" originated in England prior to World War I and was introduced into the U. S. Army Air Corps after World War II by the late General H. H. Arnold. The dinner is staged and provides an opportunity for cadets to become acquainted with the ceremonies and traditions that are an integral part of many Air Force units. The occasion also provides an opportunity for individuals and units to be recognized for outstanding achievements.

The dinner is formal and the guest speaker will be Col. James L. Jarnagin, currently serving as chief of the Air Force Operations Center at Fort Ritchie. Other guests will include Gettysburg College President C. A. Hanson, Dean of Men Ramsay W. Jones, Dean of Students John W. Shainline and Dean of the College Charles H. Glatfelter. Cadet Colonel Harry T. Rosenheim III, cadet commander of the Army ROTC, will represent the Army at the affair.

TRADING ACTIVE

NEW YORK (AP)—The stock market held a very slight gain on balance early this afternoon. Trading was fairly active.

Scattered recoveries by some blue chips which have undergone losses through profit taking accounted for the small plus on average.

Buying interest renewed to some extent following Tuesday's mild decline when Wall Street's attention and cash were distracted from the Big Board because of the widely-publicized big offering of General Aniline & Film stock.

JAW FRACTURED

Robert L. Grover, 28, Emmitsburg, has been admitted to the Warner Hospital after suffering a fractured jaw in a motor vehicle accident late Tuesday evening. Details of the accident were unavailable.

SENT TO JAIL

(Continued From Page 1) for being in arrears on support payments were ordered to pay large sums per week until caught up.

Attorney Donald M. Swope was appointed master in the divorce action of Alena Mae (Williams) Champlain, Gettysburg R. 2, against Charles John Champlain, same address.

Scheduled argument in the divorce of Ruth C. (Myers) Howe against Jacob Luther Howe was continued to April 12.

Argument was heard on the motion to quash brought by the defendant in the assumption action brought by Ward Industries Corporation against Bizzy Bee Cleaners, Inc., Bernard Nickey, Littlestown.

NAMED ELECTION JUDGE

Maybelle L. Forney, 427 Baltimore St., was appointed judge of elections in the Third Ward of Gettysburg to fill the vacancy caused by resignation of Margaret N. Scott.

Jack Davis Jr., Gettysburg R. 1, withdrew a plea of guilty to a charge of stealing money from the Holiday Inn, and the case will be listed for trial.

The bond of Guy A. Herring as constable was approved.

The Adams County National Bank presented accounts in two foundations set up by Rufus M. Weaver, late of Washington, D.C. who died September 14, 1964. The accounts were the Rufus M. Weaver Mathematical Scholarship Foundation which provide annually \$300 scholarships to "deserving, white male Protestant students" taking the mathematics course at the college here, and the Weaver Classical, Natural Science, Religion Scholarship Foundation, which provided \$200 scholarships for "deserving, white male Protestant students" at the college taking the classical courses. The mathematical scholarship foundation has a balance of \$29,912, the other \$23,139.49. Before the death of Mr. and Mrs. Weaver, the scholarship funds provided for half the income to go to them, while they lived, the other half to go for scholarships. According to the accounts, half the income will now go to the college.

The Gettysburg National Bank filed its account as trustee under a declaration of trust set up with \$52,920.43 by Jesse Scott, late of Gettysburg, for the benefit of himself and Jennie Scott. Since the death of Mr. Scott, the remainder goes into Scott's estate for which the bank is executor.

BULLETINS

WASHINGTON (AP)—Former President Dwight D. Eisenhower said today the Democrats apparently have decided that the role and cost of the federal government are unbounded. He urged Republican policymakers to draft an answer to that idea.

"The Democratic party has apparently adopted the doctrine that the role of the federal government and its costs are unlimited, and without boundary," the former President said in a telephone message to 20 top Republicans at the first session of the GOP coordinating committee, set up to formulate party policy.

Eisenhower, in Palm Springs, Calif., urged a broad view of U.S. policies, both foreign and domestic.

SELMA, Ala. (AP)—Dr. Martin Luther King Jr. says President Johnson had no right to ask Negro demonstrators to halt their planned march to Montgomery.

The White House has said the President wanted Negroes to abide by any court order. Federal Judge Frank M. Johnson issued an order Tuesday prohibiting the march.

King told newsmen after state troopers turned back an estimated 2,500 demonstrators that he knew when the march began that he was risking a possible contempt of court citation. But he added he felt the court order was an unjust injunction.

MOSCOW (AP)—A general economic slowdown has set the Soviet bloc back five years in a drive to overtake the capitalist West, a Soviet political journal admitted today.

The gloomy summary of stagnating economic growth was published by the journal, International Life.

WASHINGTON (AP)—President Johnson will fly to his mountain retreat in Mary's Catcetin Mountains late today for a conference with top military and diplomatic advisors.

BICYCLE STOLEN

Jeffrey Chamberlain, 26, Mummasburg St., reported to borough police that his Hartshorne American-type boy's bicycle, red and white, with a headlight and two baskets on the back, has been stolen. The new bike was valued at \$40.

PROTEST RALLY

SEOUL, South Korea (AP)—About 20,000 South Koreans met in a rally today protesting Communist China's reported plan to explode another nuclear bomb soon.

CONVICTED OF CODE CHARGE

Steve Fehn, Gettysburg R. 2, manager of the Hercules Alcolac plant at Seven Stars, was found guilty by the Adams County court Tuesday afternoon on charges of reckless driving and failing to reveal his identity at the scene of an accident brought after his car ran into the New Oxford square last December.

Fehn had appealed the charges and appeared in court for a trial before the court without a jury. He was not represented by an attorney.

State Policeman Ronald Prough testified he and another officer saw Fehn's car along the Lincoln Highway five miles east of here early on the morning of December 20. One headlight was out and smoke was coming from under the hood of the slow-moving vehicle. Prough said Fehn told him that he had hit a post in New Oxford. Fehn accompanied the officers to New Oxford and showed them the scene of the accident. Prough said a guard post was down in the square, a cable had been snapped and there was damage to Christmas decorations.

The court held that the law requires either immediate notice to the owner in case of accident or, if the owner cannot be located, a notice containing details and the name and address of the person in the accident must be posted at the scene in a conspicuous spot before the driver involved can leave. In finding Fehn guilty the court directed he pay \$25 for the use of the commonwealth on one charge and \$10 on the other and pay the costs.

GUISE TALKS

(Continued From Page 1) pledge to the international endowment and loan fund of Beta Sigma Phi.

The members were reminded of the Founders' Day celebration scheduled for May 6. Tentative plans were made for an Easter flower and bake sale. Donna Straka, chairman of the nominating committee, announced the following nominated for office for the coming year: President, Kay Schmidt; vice-president, Fayne Culp, Ann Harner; recording secretary, Linda Hay, Kathy Small; treasurer, Ruth Roland, Shirley Strickhouser; corresponding secretary, Martha Baumgardner, Evie Sterner; extension officer, Susie March, Kathy Neely.

Beta Sigma Phi eastern area convention will be held April 2, 3 and 4 at the Warwick Hotel in Philadelphia. Walter W. Ross, founder, will be the speaker at the April 3 session.

The culture program, "Tools For the Art of Life—Action," was presented by Viola May. The gift was presented by Martha Baumgardner.

The next meeting will be held at the home of Joyce Wetzel March 23. The program will be presented by Joyce Wetzel on "Tools for the Art of Life—Speech." Kathy Small and Joyce Wetzel will serve as hostesses. The election of officers will be held that evening.

4th "University" Session Is Held

The fourth session of the University of Scouting, held for the Black Walnut and Conewago Districts of the Boy Scouts of America was held Tuesday night at the former New Oxford High School.

One hundred twelve attended the sessions which marked the last night for those attending the Exploring portion of the instruction. Dr. Richard Greenhold, Littlestown, was the instructor in Exploring on "The History and Purpose of Exploring" and "The Future of Exploring."

At the Cub Scouting section Paul Shofor instructed on "Year-Around Planning" and at the Boy Scout division of the instruction Merle Kessler spoke on "The Outdoor Program."

Next Tuesday night will be the final session for Cubbing and Scouting and certificates will be presented at the close of the session.

Tourism Promotion Bill Before Senate

House Bill 46, which would authorize boroughs to make appropriations of funds for tourist promotion at a rate of up to 10 cents per person, was reported out Tuesday by the Senate local government committee.

The bill, which is sponsored by Assemblyman Francis Worley, Adams County's representative in the House, passed the House last week by a vote of 199 to 1. It is expected to come up for a vote in the Senate next week, possibly on Tuesday.

Counties now have the authority to make such appropriations for the promotion of tourism and this would give boroughs the same authority.

SEOUL, Korea (AP)—South Korean Foreign Minister Lee Kwan-Won left today for Washington to discuss arrangements for President Chung Hee Park's state visit May 17.

McGee will be celebrant. Burial will be in the parish cemetery. Friends may call at the funeral home this evening, when the Rosary will be recited at 8 p.m.

Worley Votes For School Bus Bill

Assemblyman Francis Worley of Adams County was among 24 Republicans who voted for the controversial school bus bill which passed the House 120-83 on Tuesday and would provide free school bus transportation for parochial pupils along established routes.

Explaining his vote, Mr. Worley said he saw "no constitutional barriers" against providing bus rides for parochial children for their health and safety. Safe transportation to and from school, he said, is a "non-religious legislative purpose" and does not have "a primary effect that either advances or hinders any religion. We should not punish children or their parents because they have chosen a particular religious faith."

Assemblymen in York, Dauphin and Cumberland Counties voted solidly against the bill, according to Harrisburg news reports.

Zone Meeting Is Held At Cashtown

About 100 Lions from Gettysburg, Upper Adams, Fairfield and Cashtown clubs attended a zone dinner meeting Tuesday evening in the firemen's hall at Cashtown with Cashtown President Harry Biesecker and Zone Chairman Cloyd B. Shetter of Gettysburg.

Speakers included Deputy District Governor Harry Sumpman of York; Richard Spangler, York, candidate for district governor, and Elmo Mentzer, Carlisle, international counselor and former district governor. There was special musical entertainment by two Gettysburg College coeds.

nasium floor in the high school building, painting the toilets and two classrooms in the elementary school and painting the bleachers in Memorial Field before the bicentennial celebration, when the school facilities will be made available to the program committee. Permission also was granted for the Adams County firemen to hold the annual convention on school property.

The board approved payment of bills in the amount of \$49,259.14.

King reported that the following students were accepted into the National Honor Society at a special assembly February 24: Shirley Anderson, Darlene Barnes, James Blocher, Patty Little, Elwood Mummert, Thomas Sager, Dennis Rager, Robert Sneeringer, Jeanne Yealy and Dennis Heltbride.

He also announced that student teachers from Gettysburg College are William Ferguson, history; Robert Garson, English; Rodney Kuhns, science; Kenneth Snyder and Betsy Slaybaugh, physical education, and JoAnn Leader, music.

In the elementary physical education program, directed by Mark Snyder, Third, Fourth, Fifth and Sixth Grade pupils are receiving 25 minutes of instruction daily in Rolling Acres and Maple Ave. Schools. Approximately 85 boys are participating in the basketball clinic for Fifth and Sixth Grade boys Saturday mornings in the Male Ave. gymnasium under Snyder.

Mrs. Brenda B. Walker, school nurse, reported 169 first aid treatments, nine of whom required further treatment and four required x-rays. Physical checkups were completed in Fifth Grade with five students referred for eye examinations. She reported a number of absentees in the primary grades due to chicken pox and measles. The Future Nurses Club toured the Hanover General Hospital February 9.

John D. Bream, athletic director, reported that 125 students participated in the winter sports program in basketball and wrestling. The spring sports program opened this week and will include 14 baseball games and 11 track meets. The intramural program with tournaments includes basketball, kickball, volleyball, softball and track. Bruce Hoffman, Fred Shorb and Dawson Harner won second place trophies in the York Novice Wrestling Tournament.

William L. Coradetti, guidance counselor, reported that the high school placement test will be given to Eighth Grade students and Ninth Graders will take the National Educational Development Test.

President Wilbur Mackley was in charge of the board meeting, which was attended by 17 members.

Find Vision Of 88 Pupils Is Faulty

Eighty-eight of the 919 pupils who were screened on vision tests by doctors and school nurses last month were found to be in need of attention to their eyes, the monthly health service report to the Gettysburg Joint School Board Monday evening showed.

The report showed 198 pupils also had their hearing checked and 891 were checked for height and weight. Twenty-three students were given general examinations by school physicians and school dentists checked 25.

The nurses reported 79 cases requiring first aid and 319 cases of illness. Seventy-eight students had to be sent home because of illness or injury and 15 others were taken home. Twenty-eight of them were referred to their family physicians and three to their dentists. Twelve accidents occurred in which medical aid was required.

The school nurses made 10 home visits and held 40 conferences with teachers. Tetanus shots were given to 69 Sixth Graders. Excuses from physical education classes were granted to 55 pupils.

TRACTOR CLUB MEETS

The Adams County 4-H Tractor Club met Monday evening in Biglerville High School to see a film on the "Operation of Internal Combustion Engines," and discussed plans for their fair exhibit. They visited the O. C. Rice Farm Machinery Company, and discussed tractor maintenance and safety checks. Earl Kirk and Harold Walker gave demonstrations. The group will meet Monday evening at Crouse Farm Supply Company, Gettysburg.

TO OPERATE TOWN PLANT

McSherrystown council, at its monthly meeting Monday evening, employed Harold Smith, South St., McSherrystown, as a full-time sewer plant operator, effective March 15. He is also a part-time policeman.

George Weaver, present part-time operator of the plant, will remain temporarily until Smith becomes familiar with his duties. Council adopted a resolution establishing a pension fund, including hospitalization and medical protection, for John G. Hemler, chief of police. This will involve no cost to the borough. Councilman Cyril Noel informed the other members, as state funds are available to pay for the premiums.

The police department report, presented by Mayor Edward DeCheubell, listed fines for 26 parking violations and 11 motor vehicle violations; 26 arrests and 49 investigations. Other activities were eight motor code violations warnings, 17 police escorts, 15 police instances of assistance, one missing person located and 36 complaints received and answered.

TWENTY-FIVE YEARS AGO

The Goshen Friends Meeting House, near Swarthmore, decorated with golden forsythia and evergreens, was the setting for the marriage of Miss Marian Jetties Suplee, daughter of Mr. and Mrs. Nathan Walter Suplee, Swarthmore, to Frederick E. Grist Jr., son of Frederick E. Grist, Flora Dale, which was solemnized at high noon Saturday. The bride wore a gown of white moiré made with long fitted sleeves and a heart shaped neck line. Her veil of finger tip length was of tulle held in place with family pieces of Belgian lace in the shape of tiny butterflies. She carried a bouquet of lilies of the valley and roses. Mrs. Ralph Tyson, Gardner, R.D., who was the bride's only attendant, wore a gown of aqua moiré and carried a bouquet of tallman roses and acacia. John Christy, Binghanton, N.Y., was best man. The ushers were Ralph Tyson and Nathan Suplee, a brother of the bride. Preceding the ceremony music was presented by a pianist and two violinists who also played the Lohengrin wedding music. A reception was held at the home of the bride's parents after which the couple left on a wedding trip. Upon their return they will be at home at the Longsford property at Flora Dale. The bride was graduated from Swarthmore high school and Pierce's business college, Philadelphia. Mr. Grist is a graduate of George school and Pennsylvania State College. He is now associated with his father in the fruit growing business.

Seventy-five men of Christ Lutheran Church attended a dinner meeting at the church Tuesday evening and formed a new men's organization for brotherhood, the exact name for which has not been decided. The dinner was served by the Women's Service Guild of the church. R. A. Campbell was elected president of the organization; Dean W. E. Tilberg, vice president; C. A. Bixler, secretary and J. A. Holtzworth, treasurer. Speakers included Dr. A. R. Wentz, Dean Tilberg and the Rev. Dwight F. Putman, pastor of the church. Lloyd C. Keefer was the toastmaster. Bertram H. Saltzer presented several selections on the accordion and there was other special music by college students.

C. A. Helges, as executor of the late Amos F. Coulson of Gettysburg, has sold a Buford Avenue lot to Russell E. and Thelma E. Coulson, Gettysburg.

The regular triennial assessment of Adams county real estate placed a value of \$16,436,280 on all lands and buildings in the county and placed the taxable real estate at \$15,562,545, according to a compilation of the assessors' reports just completed in the county commissioners' office. There are 24,616 taxable residents in Adams county, the report shows. The highest valuation on real estate of any township or ward in the county occurs in the first ward of Gettysburg, while Bendersville borough has the lowest. On the basis of this table the richest district in the county is the second ward of Gettysburg where taxable personal property exceeds a million dollars and is nearly three times the figure for the third ward.

Thick white sauce, this onion soup and canned clams make an unusually good chowder; to gild the lily, add mushrooms.

INNER ASSURANCE

There are people whom we meet who immediately cast a spell of hope and confidence over us. We may have been feeling low, tasting only bits of despair. But that person changes all. It's a good day outside. The fog has lifted. The weather's fine!

What is it that such people have? Let us call it inner assurance — hidden faith. The reading of a little book by William James had this effect upon me as I read it again, as on numerous other occasions. The name: "Is Life Worth Living?" You feel that it is after reading this inspiring little book. Here is a paragraph: "The deepest thing in our nature is this dumb region of the heart in which we dwell alone with our willings and unwillingnesses, our faith and fears." He also says: "Be not afraid of life. Believe that life is worth living, and your belief will help you create the fact."

Fears are natural, but they can be overcome. The child fears, but the mother or father gives assurance, and the fears depart. Looking about us upon all the endless natural beauty in nature, we are enlightened as to the over-all love and care of a Superior Being — a God who gives to each of us an inner assurance of His watching eye. The more faith we have in ourselves, in other people, and in God, the less will our fears be. In fact they will be so absent that it will wonder where they went! It is this faith that gives to us all our inner assurance. We can be better friends, better companions, and better workers with this inner assurance — living more serenely and with greater zest.

It is this inner life, with its assurance, that emboldens us all, gives to us our courage, and our pride in being. Henri Amiel wrote that "the man who has no inner life is the slave of his surroundings." It is here that all the major decisions of life have their inception. Within ourselves alone are won, or lost, the crucial battles of life. Without this inner assurance we would be mere flounders.

Just Folks

DAY'S DRAMA
At dawn the light of day comes on.
To start life's play anew.
There is a role for everyone;
A bit for all to do.

For some, the wedding bells ring out;
For some, a dirge is tolled.
In hospitals men wait about,
First babies to behold.

Twist birth and death the scenes are laid,
With time for jest and song.
Some walk in robes of pride arrayed;
Some stumble into wrong.

Some speak love's lines with tenderness,
Some sigh that love is gone.
Some, after struggle, reach success,
And so life's play goes on.

56 TAKE MERIT TEST TUESDAY

Fifty-six 11th Grade students at Littlestown High School took the 1965 National Merit Scholarship Qualifying Test, Frank Basehoar, principal, announced today. The test was given at 9 a.m. in the school cafeteria Tuesday. The NMQT is a three-hour examination of educational development. The test is the first step in the 11th annual competition for four-year Merit Scholarships provided by the National Merit Scholarship Corporation and by sponsoring corporations, foundations, colleges, associations, unions, trusts and individuals.

The number of scholarships awarded in any year depends upon the extent of sponsor participation. In 1964, 1,632 Merit Scholarships were awarded: 1,146 were provided by 227 sponsors and 506 by the Merit Corporation. There are 4,880 Merit Scholars attending 485 colleges in the current academic year.

Dalai Lama Was Nation Restored

NEW DELHI, India (AP)—The exiled Dalai Lama of Tibet appealed today to the world to rescue his Chinese-occupied Himalayan nation.

The Dalai Lama, who lives at Dharmasala, in northwest India, made his appeal in a statement marking the sixth anniversary of the 1959 Tibetan uprising against Communist China.

WOULD DROP RR STATION STATUS HERE

Pennsylvania Railroad Company is seeking approval from the state Public Utility Commission to change the status of its Littlestown station from an agency freight station to a nonagency, carload-only freight station.

A hearing will be held March 16 at 10 a.m. in the Harrisburg office of the PUC.

Luther Hoover, superintendent of stations for PRR, said the company is seeking to terminate the part-time services of the Littlestown agent, J. A. March, who currently works three hours at the Littlestown station and four hours at the Taneytown station.

Hoover said the duties and services of the Littlestown agent will be transferred to Hanover, March, who now works part time at Taneytown, will now work full time.

A PUC spokesman said such a change in status is usually sought by the railroad on grounds its business has been declining.

Hoover said that, although there has been some decline in business in Littlestown, the move was designed to increase efficiency of operation. He said the move would not affect the amount of freight handled through the Littlestown station.

Cardinal Meyer Is Seriously Ill Man

CHICAGO (AP) — Albert Cardinal Meyer, who underwent brain cancer surgery Feb. 25, has not shown any marked change in his responsiveness for two days, Mercy Hospital officials say.

The Roman Catholic archbishop of Chicago was 62 Tuesday and two nuns who reminded him of that said he appeared to smile.

"Signs so far have not been encouraging," a hospital spokesman said. An attending physician said the cardinal is a "seriously ill man."

Brotherhood To Serve Banquet

The Men's Brotherhood made plans to serve the annual mother and daughter banquet of St. John's Lutheran Church at the March meeting held on Monday evening at the church. The following committees were appointed: Kitchen, Preston Clouser, Harold Cool and Edgar H. DeGroff; dining room, Luther Spangler, Albert M. Starnier and W. E. Stites. The date of the banquet will be announced.

A film, "And What Thou King," was shown by the pastor, the Rev. William C. Karns; Lord's Prayer in unison. Routine reports were heard by President Kenneth Shanoobrook. Refreshments were served to the 24 members in attendance by Clair A. Beamer, John R. Bloom and Kenneth Bortner.

Gene R. Renner, Raymond Reinman and Kenneth Shanoobrook will be in charge of the program for the next meeting on Monday, April 12 at the church. Refreshments will be served by James U. Bowers, C. Herman Boyd, and Earl Brumgard.

Arts, Crafts Club Adds 2 Members

Two new members, Mrs. Kenneth Bucher and Mrs. Harry W. Staveland Jr., were enrolled at the March meeting of the Arts and Crafts Club on Monday evening in the social room of the Eagles Home, W. King St.

The club will have a display at the April 21 meeting of the Adams County Federation of Women's Clubs. It was decided to begin future meetings at 7:30 p.m., beginning Monday, April 12, when there will be a workshop on decorating Easter eggs, knitting, etc.; Mrs. Frances Parson and Mrs. Wilbur A. Bankert will be hostesses.

The group spent time working on enameling copper and staining glass. Refreshments were served by Mrs. H. C. Oberlander and Mrs. William T. Glingrow.

MICHIGAN IN TOP SPOT IN LAST AP POLL

ANN ARBOR, Mich. (AP) — Just as they did in the pre-season poll, the Michigan Wolverines beat out the UCLA Bruins for the No. 1 ranking in the final Associated Press college basketball poll of the season.

The Wolverines, although upset by Ohio State in their last regular-season game Monday, polled 409 points in the final poll to 378 for UCLA.

"It is a great tribute to this team," said Michigan Coach Dave Strack. Referring to the pre-season poll he added "I think it shows we had a team worthy of this confidence since all of the teams we played naturally aimed for us."

RUSSELL TO PLAY

Strack said All-America Cazzie Russell is expected to play against Dayton in the NCAA Midwest regionals at Lexington, Ky., Friday night. Russell was in a hospital Tuesday for treatment of a sore throat and high temperature. He did not play in Michigan's 93-85 loss to Ohio State Monday.

The upset by the Buckeyes wasn't disappointing, Strack said, even though it kept the Wolverines from completing a perfect season in the Big Ten.

"We said after beating Minnesota Saturday and clinching the title that we would start our third phase of the season Monday."

HAD THE TITLE

"Sure, we would have liked to have beaten OSU but we really didn't have as much pressure on us then because we had the title we wanted," he said.

"We are ready to play in the NCAA tournament, and with Cazzie back I only ask that we stay healthy for the rest of the season," Strack said.

Michigan, 21-3, collected 21 first-place votes and 409 points in the AP poll, on a basis of 10 for a first-place vote, 9 for second, etc. Defending NCAA champion UCLA was second with 378 points, followed by St. Joseph's, Pa., with 349 and Providence, 329.

FINAL STANDINGS

Michigan, runner-up to UCLA in the final poll last year, is the fourth Big Ten team to wind up on top in the AP poll since it was started in 1949.

The final Top Ten, won-lost records through Monday and total points:

1. Michigan 21-3	409
2. UCLA 24-2	378
3. St. Joseph's, Pa. 26-1	349
4. Providence 23-1	329
5. Vanderbilt 23-3	321
6. Davidson 24-2	185
7. Minnesota 18-5	141
8. Villanova 21-4	128
9. Brigham Young 21-5	98
10. Duke 20-5	78

16 TEAMS IN RUNNING FOR NAIA TITLE

KANSAS CITY (AP) — A victory a day for the rest of the week will assure the 1965 championship to any of 16 teams remaining in the NAIA basketball tournament.

The week-long meet went into its second round today, and most of the favorites were still on hand.

Two North Carolina teams, less than 20 miles apart at home but strangers on each other's basketball schedule, finally got a chance to meet on a neutral court some 800 miles from their home state.

Winston-Salem, N.C., knocked out St. Norbert's, Wis., 87-69 and High Point, N.C., eliminated California Western 79-57 Tuesday. High Point is seeded No. 6 and Winston-Salem No. 11.

Their victories set up an afternoon meeting today with Winston-Salem taking a 22-7 record into the contest and High Point sporting a 29-3 figure.

FAVORITE WINS

Unseeded Central State, Ohio, the tournament's No. 1 team, had little trouble with Jacksonville, Fla., winning 78-57 Tuesday night.

Fourth-ranked Fairmont State, W.Va., edged Upper Iowa 94-90. Midwestern, Tex., crushed Valley City, N.D. 102-56.

Midwestern's victory sent the Texas team against Central State tonight with the winner sure to be rated the tournament favorite. Central State is undefeated in 26 games.

Lincoln Univ. Mo., fell before Ouachita Baptist, Ark., 83-76. Ouachita's victory sent the Arkansas team against Lewis College, Ill. Lewis whipped Mansfield State, Pa., 90-74.

Alliance, Pa., fell 10 points behind Stephen F. Austin but rallied to win 81-61. The scheduled sent Alliance against Fairmont tonight.

CLIPPERS IN SECOND PLACE

A wave of home-ice victories has lifted the Baltimore Clippers into second place in the American Hockey League's Eastern Division scramble.

The Clippers, led by Dick Meissner and Gordon Labossiere, sailed past Pittsburgh 6-3 Tuesday night for their ninth straight triumph at Baltimore. With an 11-1-2 record in their last 14 starts, the Clippers now lead third-place Hershey by one point, 67-66, and have a mathematical shot at the division title.

Quebec's Eastern leaders maintained their 12-point margin by topping Cleveland 6-4 in the only other game scheduled. The Aces and Clippers both have eight games remaining. Hershey has 10 to play.

Labossiere, who has been called up by the parent New York Rangers for tonight's National League game against Chicago, scored two goals — for a total of 10 in his last four games. Meissner had a goal and three assists to match his line-mate's season mark of 70 points.

Baltimore's Dave Creighton broke a 2-2 tie late in the second period and the Clippers pulled away with three straight goals in the third session.

SMALL SCHOOL ALL-AMERICA TEAM LISTED

By TED MEIER
Associated Press Sports Writer
NEW YORK (AP) — Larry Humes and Jerry Sloan, the one-two punch of the powerful Evansville Aces, top the 1965 Little All-America college basketball team announced today by The Associated Press.

The two, who led the Aces unbeaten through 26 games going into today's quarter-finals of the NCAA small-college tournament at Evansville in defense of their national championship, were far ahead in the voting by 77 sports writers and broadcasters throughout the country.

Jerry Rook of Arkansas State, Richie Tarrant of St. Michael's, Vt., and Dean Church of Southwestern Louisiana complete the first team. All are seniors except Humes, a junior.

OTHERS CHOSEN
Walt Frazier of Southern Illinois, Larry Barnett of Chattanooga, Thales McReynolds of Miles, Ala., Barry Clemens of Ohio Wesleyan and Wilbur Frazier of Grambling were named as the second team.

Rounding out the 15-player squad, as a third team, were Wayne Williams of Washington University of St. Louis, Don Carlos of Otterbein, Paul Pederson of North Dakota, Al Lawson of Gannon, Pa., and Dan Anderson of Augsburg.

Each of the 15 will receive a certificate from The Associated Press.

Humes, 6-foot-4 from Madison, Ind., and Sloan, 6-6 from Gobblers' Knob, Ill., as well as Rook, 6-5 from Nettleton, Ark., were rated so good at shooting and passing that they received many votes for the big All-America.

Tarrant, 6-5 from West Orange, N.J., was a favorite in New England all season and paced St. Michael's into the NCAA small-college round of eight.

Church, of Ashland, Ky., at 6-2 is the smallest player on the first team, but his sparkling play earned Southwestern Louisiana a berth in the NAIA national tournament at Kansas City this week.

MIAMI (AP) — A field that lacks only Arnold Palmer will tackle the Doral Country Club's Blue Monster golf course Thursday in the first round of the \$70,000 Doral Invitational, an important tune-up for the Masters Tournament.

After competing in the Pensacola Open, Palmer headed north to attend a convention in Cleveland.

The 7,028-yard layout, called the Blue Monster because of its frightening water hazards, has not been easy for Palmer and his bold style play.

In the 1962 inaugural, Palmer took a four-over-par 288 while Bill Casper was winning with a 283. The next year, Palmer shot a 290 as Dan Sikes won with 283.

Last year, when the sponsors yielded to the pleas of the pros and shortened the course, Palmer made the 72 holes in 287 but was 10 strokes behind as Casper won again.

Charlie Dressen Downed By Heart Attack; Tiger Manager Is Hospitalized

By DICK COUCH
Associated Press Sports Writer
The news of Charlie Dressen's heart ailment rocked baseball's spring camps today, overshadowing a string of lesser mishaps at major league bases in Florida and Arizona.

Dressen, 66-year-old manager of the Detroit Tigers and a veteran of 45 seasons as player, coach and pilot, is hospitalized at Santa Monica, Calif. He flew there Monday after suffering a minor heart attack at the Tigers' Lakeland, Fla., camp.

A hospital spokesman said Dressen should be able to rejoin the club in four to six weeks, with complete recovery anticipated in about three months. Coach Bob Swift will run the team during the manager's absence.

2ND HEART ATTACK
Tiger General Manager Jim Campbell said Dressen suffered pains in his chest and arms Sunday night.

Dressen is the second American League manager to suffer a heart attack during spring training in two years. Cleveland pilot Birdie Tebbetts was felled by a coronary last April 1. Advised by doctors to forget about managing again, Tebbetts, 55, made a quick recovery and rejoined the Indians in July. Last month he received the 1964 Heart of Year award.

Injuries and illness also hit the Chicago White Sox, Cincinnati Reds and Washington Senators Tuesday.

HIT BY LINE DRIVE
Right-hander Joel Gibson, making his White Sox debut in an intra-squad game, was struck by a line drive and suffered a broken wrist that will sideline him for six weeks. He sat out the 1963 season after being injured in an auto accident while with the Philadelphia Phillies.

Cincinnati may lose Bill McCool, the 20-year-old left-hander who bolstered the Reds reiters corps last season, for a month or more. McCool complained of abdominal pains, diagnosed tentatively as the result of an inflamed appendix and may have to undergo surgery.

Bob Chance, the long-ball hitting first baseman whom the Senators acquired from Cleveland in a winter trade, reentered his left knee chasing a wild throw. He has had damaged cartilage in the knee for two years.

END HOLDOUTS
Pitcher Camillo Pascual, a 15-game winner for Minnesota, and outfielder Joe Christopher, who hit .300 for the New York Mets last year, ended holdouts and Baltimore shortstop Luis Aparicio, as yet unsigned, agreed to report to the Orioles' camp.

Pascual had balked at a salary cut from \$45,000. Christopher received a pay boost to \$17,750. He had asked \$20,000.

Mel Allen, dismissed last fall after 26 years as the "voice of the Yankees," had some good news. The veteran announcer was named to broadcast the Braves' games when they move to Atlanta in 1966.

WOLVERINES FACE DAYTON FRIDAY NIGHT

By TED MEIER
Associated Press Sports Writer
Michigan's top-ranked Wolverines go against the Dayton Flyers at Lexington, Ky., Friday night in their first test in the NCAA post-season tournament that determines the national collegiate basketball champions.

The pairing was determined when Dayton edged Ohio University 66-65 in the first round of the Midwest regionals at Bowling Green, Ky., Tuesday night. DePaul crushed Eastern Kentucky 99-52 in the other Midwest first-round game and qualified to meet Vanderbilt Friday on the same bill as Michigan-Dayton.

OTHER GAMES
This is Friday's setup in NCAA play:
East regionals at College Park, Md. — Princeton vs. North Carolina State at 7:30 p.m., EST. Third-ranked St. Joseph's of Philadelphia vs. fourth-ranked Providence at 9:30 p.m.

Midwest regionals at Lexington, Ky. — Fifth-ranked Vanderbilt vs. DePaul at 7:30 p.m., EST. Top-ranked Michigan vs. Dayton at 9:30 p.m.

Midwest regionals at Manhattan, Kan. — Wichita vs. Southern Methodist at 8:30 p.m., EST. Oklahoma State vs. Houston at 10:30 p.m.

PLAY AGAIN SATURDAY
Far West regionals at Provo, Utah — San Francisco vs. Oklahoma City at 9:30 p.m., EST. Second-ranked UCLA vs. fifth-ranked Brigham Young at 11:30 p.m.

Friday's winners will meet Saturday to determine the four teams in the grand winnow at Portland, Ore., March 19-20.

The Ohio U. Bobcats, who had to beat Miami of Ohio in a play-off for the Mid-American Conference title Monday to get into the NCAA, held a five-point lead over Dayton 61-56 with less than three minutes left and Dayton's star, Henry Finkel, out on personals.

MINNESOTA SECOND
Baskets by Bill Cassidy and Gene Klaus, plus two free throws by Bob Sullivan, put Dayton ahead 62-61. Mike Haley's jumper put the Bobcats back on top with one minute left, but Sullivan scored with 40 seconds left to give Dayton the lead for good.

Two baskets by Lou Hudson in the last minute of an overtime period gave seventh-ranked Minnesota a 85-84 home-court victory over Iowa and second place in the Big Ten standings. Illinois landed third place in the Big Ten by crushing Michigan State 121-89 at Champaign in another game Tuesday.

The National Invitation Tournament, the second major post-season tournament, gets underway in New York Thursday night with Manhattan meeting Texas Western and Boston College pitted against St. John's.

SEEK 27TH WIN
The unbeaten Evansville Aces go after their 27th straight, against Philadelphia Textile, in the quarter-finals tonight of the NCAA small-college tourney at Evansville. In other games, Akron meets St. Michael's Vt., North Dakota takes on Seattle Pacific and Southern Illinois tangles with Washington of St. Louis.

The second round of the NAIA tourney at Kansas City is on tap today.

TRACK RIVALS IN PURSE FIGHT

MIAMI, Fla. (AP) — Gedney Farm's Gun Bow and Rex Ellsworth's Candy Spots are expected to renew their rivalry Saturday at Gulfstream Park, with several other speedy horses to add spice to the race.

Trainer Eddie Nelyo announced Monday, as soon as he learned the weights in the \$50,000-added Donn Handicap, that Gun Bow would leave California in time to reach Gulfstream today and compete in the 1¼-mile feature this weekend.

Gun Bow will carry top weight of 124 pounds, including jockey Walter Blum, his regular rider before he was injured in a spill at Santa Anita last December. Blum has recovered and plans to leave California when Santa Anita closes Thursday.

Candy Spots has been here since last Thursday and will pack 125 pounds in the Saturday race, with Willie Shoemaker aboard.

Among other weights for the Donn are Lt. Stevens and Roman Brother 119, Macedonia and Tosmah 118, Going Abroad 117, Suspicious 116, Hot Dust 115, Tronado and Your Alibhai 114, Point du Jour 114, Tibaldo 113, Babington and Bandangan 112, Plave 111, and Propontis 107 pounds.

Blueberry pancakes are delicious served with maple syrup, honey or pineapple sauce.

League Title At Stake Here This Evening

New Oxford High School, seeking to retain its Adams-Franklin Basketball League title, clashes with Greencastle tonight at 8 o'clock on the Gettysburg High School floor in the championship game.

Last year the Colonials ended Greencastle's reign with a 69-55 decision.

New Oxford and Greencastle split their regular season games. Both recorded 12-2 league records, with Greencastle copping the Franklin Division title in a playoff with Scotland.

During the 14 league games New Oxford scored 1,080 points as compared to 1,073 for Greencastle. Defensively, the Colonials were more impressive yielding but 789 points while Greencastle gave up 931.

The game is expected to attract a capacity crowd.

FOUR FAVORED IN CAGE MEET

EVANSVILLE, Ind. (AP) — Evansville, Southern Illinois, North Dakota and Akron were favored to win in the quarter-finals Wednesday of the NCAA college division basketball tournament.

The Evansville Aces, top-ranked in the Associated Press college poll with a 26-0 record, open their bid for a second straight title and fourth since the tourney was inaugurated in 1957, in the final night game against Philadelphia Textile.

Textile is 23-4 and ranked No. 10.

Opening the night session, No. 3 Southern Illinois in the opposite bracket from the Aces, carries an 18-5 record against Washington of St. Louis, 21-5. Two of Southern's losses were by one point to Evansville. Southern defeated Washington earlier this season.

The quarter-finals in the 13,000-seat Roberts Stadium start in the afternoon with the Akron Zips, 21-6, last year's runner-up, facing St. Michael's of Vermont, 20-5. This could be one of the closest matches of the day.

In the second game, rangy North Dakota, No. 6, takes a 24-4 mark and an 18-game winning streak against Seattle Pacific, 22-6. Seattle has won nine of its last 10 starts and six in a row.

The semifinals will be Thursday night with the wind-up Friday night.

CARTER WINS LONDON FIGHT

LONDON (AP) — Rubin (Hurricane) Carter, the muscular middleweight contender from Paterson, N.J., has completed a 15-day European tour with two technical knockout victories.

Emboldened by his triumphs over two mediocre foes — Italian Fabio Bettini in Paris on Feb. 22 and over Liverpool's Harry Scott Tuesday night in London — Carter talked today of getting another title shot at world champion Joey Giardello.

Giardello outpointed him last Dec. 14 in Philadelphia and Cuban Luis Rodriguez whipped him in New York only last Feb. 12.

The 27-year-old Jersey Jolter halted Scott on cuts in the ninth round of their 10-rounder at Albert Hall.

Carter had won seven of the eight completed rounds when referee Harry Gibbs intervened at 1:15 of the ninth because of cuts over and under Scott's left eye. The defeat stretched Scott's winless streak to seven, including two draws.

If "He" Had Gotten The Correct Size Corset The \$280 Glass May Be Intact

By EDDY GILMORE

LONDON (AP) — "It was my corset that did it," said 23-year-old Kenneth Moonan, accused of smashing a \$280 plate glass window.

"Your what?" the surprised magistrate asked in court Monday. "You had better start at the beginning."

"It's my figure," Moonan began, "it's too big in the middle. I tried everything — dieting, exercise, a health club. They did nothing for me."

"Then I decided to buy a corset, but I didn't want anyone to know I was wearing one."

TOO MUCH BEER
Strapped in his corset, Moonan went to a pub, drank rum and beer and felt more uncomfortable by the minute.

"My stomach got tighter and tighter," he went on. "I had to do something. I could have gone into the gents' but the corset was under my shirt, buckled at the back, and I didn't want anyone to see I was undressing to get at a corset."

He staggered out of the pub and started for home.

"On the way I became desperate," said Moonan, "and I realized I had to get that corset off. It was dark and I went into

the doorway of a shop.

"I just tore away at everything and violently attacked the buckles of my corset. Suddenly, there was a noise like an explosion. Suddenly released, my stomach expanded and — I'm afraid — smashed the window. I had no malicious intent at all."

The magistrate smiled, leaned back in his chair, shook his head, and said:
"I thought I'd heard everything — case dismissed."

Moonan, who weighs 196 pounds, said he paid \$4.55 for the corset.

"I later discovered the man sold me a size 36 when I should have had a size 38," he said.

GETS NEW POST

INDIAN PREMIER TO VISIT RUSSIA

NEW DELHI (AP) — Prime Minister Lal Bahadur Shastri announced that he will visit the Soviet Union beginning May 12 and the United States early in June.

In Washington, the White House announced simultaneously the prime minister will be in the American capital June 2-3 and then will spend "several days" visiting other parts of the United States.

It will be Shastri's first visit to the United States. He became prime minister last spring after the death of Prime Minister Nehru. Members of parliament cheered when he announced his trip to Washington.

All-American Signs With University

CHARLOTTESVILLE, Va. (AP) — One of the four Pennsylvania football players named to Coach and Athlete Magazine's all-American squad has signed a grant-in-aid with the University of Virginia.

He is Bob Pazzkoskie, a 6-1, 190-pound fullback from Coal Township, Pa.

His signing was one of three announced today by Virginia's new coach, George Blackburn.

A standout student who ranks 13th in a senior class of 173, Pazzkoskie was named to the Big 33 squad in Pennsylvania and also earned all-state honors.

LITERACY TEST IN LOUISIANA IS UNDER FIRE

By RAYMOND J. CROWLEY

WASHINGTON (AP) — Does a Supreme Court decision in a Louisiana case mean that literacy tests are out the window as a requirement for voting?

It does not, unless they are used as a dodge to keep Negroes or other minority groups from the ballot box.

Eighteen states have some form of literacy test, and in the majority of these no charges have been made that they have been used as an instrument of discrimination.

The Louisiana law voiced Monday permitted registrars to require applicants to read sections of the U.S. or State Constitutions and then give a "reasonable" interpretation. Complaints were made that in many Louisiana areas a constitutional lawyer couldn't pass the test, that is, if his color were black.

SIMPLIFY TESTS
The tests were given in 21 of the state's 64 parishes but they were stopped. The Legislature passed a simpler form of test, involving multiple choice questions, but it did not repeal the old law, so the Supreme Court proceeded to pass on it.

The court noted that a similar law in Alabama had been invalidated by the high tribunal some time ago.

"Interpret the Constitution" tests given in Mississippi seem headed for legal trouble. They are involved in a Justice Department suit, and the Supreme Court told a lower court to go ahead and decide the litigation.

Literacy tests vary from state to state. Georgia has a new one that is simple compared to previous tests. It has 20 questions and the passing grade is 15 correct. The quiz includes: Who is president, governor, the senators from Georgia, what are the three branches of government?

LIST OF STATES

A 1963 report of a presidential commission on registration and voting participation listed these 19 states as having some form of literacy test:

Alabama, Arizona, California, Connecticut, Delaware, Georgia, Hawaii, Louisiana, Maine, Massachusetts, Mississippi, New Hampshire, New York, North Carolina, Oklahoma, Oregon, South Carolina, Washington, Wyoming. However, latest word from Washington is that the state no longer invokes the literacy requirement.

STOPS TESTS

Gov. Paul B. Johnson acknowledged recently that tests had been used in his state, Mississippi, to bar Negroes from the polls, and he said the practice must stop.

"It doesn't make sense," he said, "to turn down a person with an M.A. degree and then register one who hasn't been to school."

At a U.S. Civil Rights Commission hearing in Jackson, Miss., Feb. 16, a registrar from Humphreys County was asked to interpret a section of the Constitution he had been presenting to applicants. He declined on

the ground that pressure was being put upon him.

Commission member Irwin Griswold, dean of the Harvard Law School, commented:

"I find it hard to see how a citizen can be expected to interpret it if a registrar who marks the papers can't interpret it."

EXPERTS BACK VA PROPOSAL

WASHINGTON (AP) — A special medical advisory group is standing pat in its support of the Veterans Administration plan to shut down 11 hospitals and 4 homes.

The proposal has met strong Congressional opposition.

The committee is composed of 23 nongovernmental experts who advise the VA. Its chair-

man, Dr. Thomas H. Brem of the University of Southern California School of Medicine, announced the stand Monday.

Said Brem: "The (VA) system can't be inflexibly maintained without in the long run leading to deterioration of medical care."

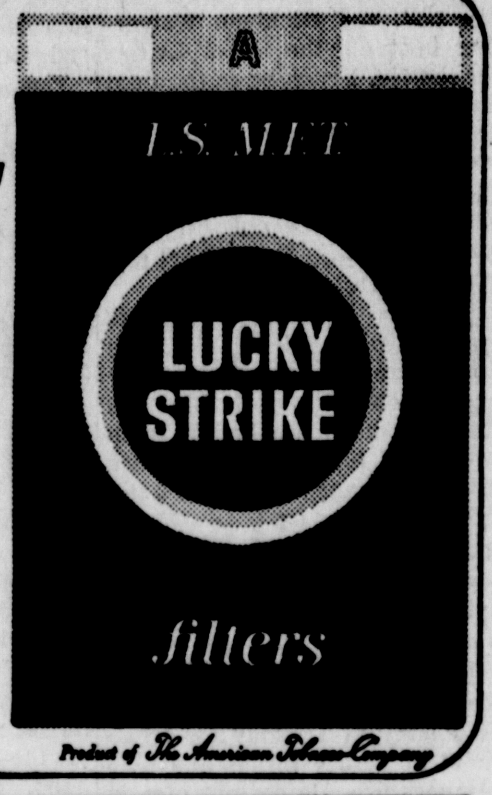

Brem said his group also believes there are other VA hospitals which are outmoded.

He also said that some hospitals are small and difficult to staff properly, while others satisfy a limited demand as shown by a short waiting list and low rejection rate.

Johnson Cancels Planned Visit To Latin America This Spring Due To Crisis

By ARY MOLEON
WASHINGTON (AP) — President Johnson has sidetracked any consideration of a visit this spring to Latin America "because of international conditions."

White House press secretary George E. Reedy made this known Monday and said Johnson had been spending about three-fourths of his time on foreign affairs lately.

The principal problem now is Viet Nam.

Diplomats consider that all of Johnson's travel plans for this year are in doubt, if not actually suspended.

MOSCOW VISIT

In his State of the Union message Jan. 4, Johnson said he hoped to go to Latin America and visit Europe during the year. The President said he also hoped to visit the Soviet Union.

Reedy answered in the affirmative when asked whether it was fair to say that Johnson still hopes to visit Europe and the Soviet Union.

As for the journey to Latin America, Reedy said Johnson, "of course, hopes to make the trip" at some time.

Latin-American diplomats in Washington said they found it

reasonable that the President might wish to stay home at this time.

OTHER FACTOR

But they also pointed out that diplomatic problems in Latin America might have been an additional factor in delaying plans for a trip there.

President Guillermo Leon Valencia of Colombia said last month that plans were being made for a Johnson meeting with 10 South American presidents in Rio de Janeiro, Brazil, April 23. American officials later confirmed that there had been some U.S. contacts with some of the governments involved.

But diplomats here were quick to point out there were many obstacles to such a meeting.

MILITARY JUNTA

For example, Ecuador would have been represented at Rio by a military junta. This obviously would have been awkward for Venezuelan President Raul Leoni since his country is working in the Organization of American States to impose some form of penalties on regimes that take power by force.

Furthermore, Venezuela has no diplomatic relations with

WANTS ARSON ADDED TO LIST

WASHINGTON (AP) — The Justice Department asked Congress Tuesday to add arson to the list of federal racketeering crimes.

Atty. Gen. Nicholas Katzenbach said the proposal is aimed at fighting increasing interstate "fire for hire" operations.

In letters to Vice President Hubert H. Humphrey and House Speaker John W. McCormack, the attorney general said there is growing evidence that organized crime groups are using arson specialists to collect millions of dollars a year in insurance.

The bill is the first of a series of measures the Justice Department will send Congress in line with President Johnson's crime message Monday.

Brazil — the proposed host country — under the Venezuelan doctrine of nonrecognition of power-imposed governments.

Another uncertainty was whether Gen. Rene Barrientos of Bolivia could leave his country now. He has not yet fully consolidated his position after seizing power last November.

Chile has no diplomatic relations with Bolivia due to a river dispute. Ecuador lately has been restless about an old border problem with Peru.

Cardinal Thanks Those Who Prayed

BOSTON (AP) — Richard Cardinal Cushing, 69, who underwent surgery Feb. 20 for removal of an intestinal growth known as polyps, has thanked those who prayed for him.

The Roman Catholic archbishop of Boston said in a statement from his hospital room Monday he is "grateful beyond words to my countless friends . . . who have stormed heaven in my behalf during the past two weeks."

Doctors said he is "steadily regaining his physical strength." The cardinal said, however, "I know it will be some time before I am well and strong enough to resume my duties."

Brown's Daughter Elopes In Nevada

SACRAMENTO, Calif. (AP) — California Gov. Edmund G. Brown thought his daughter, Kathleen, 19, was skiing while he studied the Sierra ski slopes last weekend with Nevada Gov. Grant Sawyer.

Instead, he announced Monday, his daughter had eloped to Carson City, Nev., to marry George Arthur Rice III, 20, a friend since junior high school days. Both are Stanford University students. Brown joined the couple after the ceremony and toasted their happiness.

NASSER CALLS ERHARD REGIME TOOL OF ISRAEL

By ROY ESSOYAN

CAIRO (AP) — President Gamal Abdel Nasser hurled epithets at West Germany as representatives of the Arab nations gathered in Cairo Tuesday to discuss united action against the Bonn government for offering to establish diplomatic relations with Israel.

Accusing Chancellor Ludwig Erhard's regime of "betrayal, treason and treachery," Nasser told a cheering crowd Monday that West Germany is "a dependent country and a tool in the hands of imperialists."

"I have never seen people so insolent in my life," Nasser declared. "They say Nasser is paving the way for communism, they, the world's worst imperialists. They deceive the people. They are liars. They said they were not giving arms to Israel but all the time they were. They have no honor, no conscience."

CALLS FOR STRENGTH

Nasser called for strengthening of Egypt's armed forces and a combined Arab military front against Israel.

"It is not logical that 2 million Jews should be equivalent to 100 million Arabs . . ." he said.

"None of the Arab states should enter a war with Israel

alone. If we did, we would only suffer another defeat. We have to learn from our 1948 setback. And we must remember we will not enter Palestine on paths strewn with roses or spread with a red carpet but on ground soaked in blood."

CALLS URGENT SESSION

The 13-nation Arab League was called into urgent session today to discuss the West German action. Cairo's government-controlled press reminded the other Arab nations that they had agreed at a conference last September to break with Bonn if it established full relations with Israel.

Previous Arab agreements for unified action usually have not been carried out.

West Germany's offer to Israel was considered a reply to Nasser's red-carpet reception for East German President Walter Ulbricht earlier this month, even though Bonn said the offer "was not directed against any Arabic state."

Israeli satisfaction with Erhard's offer was lessened by his decision to stop the shipment of \$16 million worth of arms to Israel last month in a futile effort to appease Nasser.

POTTSTOWN, Pa. (AP)—Injuries suffered in an auto accident six miles east of here have claimed the life of Donald Freier, 24, of Spring Mount. He died Monday in Memorial Hospital.

State police said his car had run off the road on a curve Sunday, struck a pole and a house, and overturned.

Douglas To Quit Cabinet March 31

WASHINGTON (AP) — Secretary of the Treasury Douglas Dillon plans to resign no later than March 31, it was learned Tuesday.

Dillon is counting on a vacation of four or five months before returning to his Wall Street investment banking business.

Dillon was quoted as saying, "I am leaving at the end of March. I don't know who my successor will be. I have given plenty of notice; I am going on vacation in April."

Claims Computers Will Replace Cash

SAN FRANCISCO (AP) — Thomas J. Watson Jr., chairman of the International Business Machine Corp., says giant computers someday may nearly eliminate the need for cash.

Addressing the National Automation Conference Monday, Watson foresaw machines that could maintain individual bank account information in their electronic memories.

A store customer could, he said, insert an identification card into a computer terminal and punch out a withdrawal with the amount of his purchase. The amount would instantly move from the customer's account to the store account, he said.

The Saud family has ruled Saudi Arabia since 1766.

ANALINE STOCK BID AT \$29.47

WASHINGTON (AP) — The government accepted Tuesday a bid of \$29.47 a share for its 93.5 per cent stock control of the General Aniline & Film Corp.

The bid was from a syndicate headed by First Boston Corp. and Blyth & Co. It offered \$329,141,926.24 for the 11,166,438 shares.

A second syndicate headed by Kuhn, Loeb & Co. and other firms bid \$315,649,519.46 or \$28.2677 a share.

Atty. Gen. Nicholas Katzenbach, after conferring for half an hour with an advisory panel, announced, "I am going to sign the order for sale of this stock to the high-bidding group."

His announcement virtually ended 23 years of government ownership of the huge chemical firm. The winning syndicate, will now reoffer the shares to the public.

The relatively small amount of General Aniline stock already in the hands of the public is traded over the counter. It was quoted Monday at 36 bid and 36 3/4 asked.

Work The Knees On Short Irons To Put Spin And Stop On The Ball

By KEN VENTURI

Most good rounds in golf come when you are hitting your short irons close to the hole.

Whenever I use the 7, 8 or 9 iron my theory is that I'm using a stroke saver and my one thought is that one of these three clubs will put me close for a one-putt green.

These short irons are the scoring irons for those unfortunate players who can't reach the long par 5s in three shots or the par 4s in two shots. If you capitalize on the short clubs you will offset your inability to hit long shots.

Short irons are designed for accuracy rather than length. The big thing is to let the loft of the clubface get the ball in the air. Don't jab at the ball. Use a good downward swing and hit through the ball.

The short iron brings us back to the thinking part of the game. For example, a green may slope to the right or left. You should shoot for the low side so that if you fail to get close to the hole you will have an uphill putt. Even the pros can't control a ball rolling downhill.

If the green slopes toward you, try for the near side of the green to take advantage of that uphill putting situation.

You can never spend too much time on short irons. When you find time to practice, use the 8 or 9 iron first. Either club gives you a better sense of feel. And accuracy comes first.

I'd suggest working over a few shots with the 5 iron also because this is the dividing iron. Long irons give you distance. Short irons give you accuracy. But the 5 iron gives you both distance and accuracy.

The swing with short irons should be as smooth as possible. Try to make the ball do exactly what you wish so that it will always be in play.

With short irons you must make the ball spin so that it will stop near the pin. The backspin action comes partly when the scored lines or grooves on the clubface grip the ball.

In all golf books you will read that spin is created by hand action. But this is something you have never read before: The spin of the ball is directly connected to your knees and how you make them work. Backspin is produced by working the knees, not the hands.

WORKING SHORT IRONS

KNEE ACTION, rather than hand action, is stressed by PGA Comeback of the Year Goller Ken Venturi in this short iron sequence. Working the knees fast puts more spin on the ball and brings it to an abrupt stop on the green. Notice (1) in which Venturi's right heel is off the ground even before he makes contact with the ball. (2) His head remains steady even after contact but his knees still move toward the target. (3) His head only begins to rise when his hands get chest high. (4) Notice weight on his strong side. His high finish helps produce the perfect follow through.

The faster you work the club-head the faster you should work

your knees. It will give you more spin on the ball. You can hit the ball soft with an easy swing but you must speed up your knee action so that the club, when it clips the ball, will go through faster.

Here's further proof of my theory — which really came from Byron Nelson. If you will stand perfectly flat-footed and do NOT work the bottom part of your body the ball will run when it hits the green.

But if you flex and work your knees, and keep them going toward the target as you hit the ball, the ball will spin and stop much sooner.

Therefore when I strive to apply more spin for a quick stop I use more knee action than hand action.

HOLD FUNERAL SERVICES FOR OLD RAILROAD

By GEORGE SHORT

TORRINGTON, England (AP) — Two hundred mourners held a funeral service Monday for the 40-year-old North Devon and Cornwall Junction Light Railway Line.

They hung an evergreen wreath on the front of the diesel engine and a caricature of Dr. Richard Beeching, the boss of British Railways, on the back.

Then they let out a rather sad cheer as the last passenger train moved off on a remote 27-mile stretch of Britain's dwindling rail system.

Crowded with sentimental passengers, the train rumbled cautiously under a stone bridge at Torrington Station and swung right toward a wood of firs.

NOT MUCH SPEED

It never got up much speed, however. The line twists precariously around the Devonshire Hills, and its speed limit always has been 25 miles per hour.

The line has been closed to passenger trains under Beeching's controversial program to rid the government's railway system of lines that don't pay their way. In 1963, the most recent year for which figures are available, passenger service on the North Devon and Cornwall cost \$145,600, but the passengers paid in only \$2,800.

Last week daily bookings averaged 21. Monday, though, a long line waited for the last ride.

"BANG ON TIME"

Engineer Jack A. Parkhouse eased the diesel down the line past Chapel's farm and into the first stop, a 30-yard platform and lone brick building known as "Watergate Bridge Halt."

The train moved on, past old clay mine, East Yarde Halt, Merton Village, and finally came to Halwill Junction, down in Cornwall.

Parkhouse slipped back his new pillbox cap — part of a Beeching plan to smarten up the railwaymen — and said with a grin, "2:34, bang on time."

COLOMBO, Ceylon (AP) — A four-man Soviet delegation is seeking an agreement with the Ceylon government giving Soviet fishing vessels special facilities in Ceylonese ports.

The agreement is sought as part of a \$10-million Soviet program to aid Ceylon's fishing industry.

A Lovelier You

By MARY SUE MILLER

Flower garden colors make a glorious bouquet of spring fabrics.

Ranging from fragile to vibrant, there are sweet pea pinks and mauves, marigold yellows and oranges, tea rose corals, larkspur blues, tender-leaf greens and daisy-petal white.

Interpreted in prints, the flower shades combine to form schemes that are either madly modern or neoclassic—wild as orange and mauve stripes, or as traditional as sprigs of blue on a white ground.

Even neutrals, and they are prevalent, reflect the color explosion. Navy is brighter, beige and gray are livelier, and black is splashed with white.

Other than color excitement, fabrics offer interesting, barely textured surfaces, airier weights, greater fluidity and more care-free qualities. All are pluses for flattery and comfort. Most have come about through refined methods of blending and processing fibers.

Blended or not, fabrics trend toward crepey, cordy, silken, meshy and linen looks. Stretch—a big word in fashion—is now built into dressy as well as sportswear yardages.

Really the pickin's have never

been so good. The colors make for loveliness and the textures make for trimness. All you have to do is reap the harvest. Keep pickin'!

MOST FLATTERING COLORS

In fashion, nothing makes you lovelier than color. It can enhance your skin, hair, eyes and figure; it can express your individuality and style. Great powers, those! Indochinese Ask U. S. Withdrawal

PNHOM PENH, Cambodia (AP) — The anti-American conference of Indochinese people ended Tuesday by demanding U.S. military withdrawal from South Vietnam. It also called for new international conferences on Laos and Cambodia.

Attended by 38 Communist and neutralist organizations, the conference did not call for a new Geneva conference to settle Indochinese issues as requested by host Cambodia.

North Vietnamese and Viet Cong delegations rejected any negotiations on South Vietnam before an unconditional withdrawal of U.S. forces.

If you can sell her on this, you can sell her on anything.

"Me? In that?"

When you take your wife to see the Volkswagen Station Wagon don't be surprised if you have to drag her.

"But it looks silly."

That's your first problem: you have to explain the flat face and square shape.

The front is flat because the engine is in the back. This eliminates a long hood and makes our wagon almost as easy to park as our sedan.

(There's only 9 inches difference.)

And the square shape holds almost twice as much as an everyday wagon.

170 cubic feet.

Once you coax her behind the wheel, be ready for something like this: "But it's like sitting in a fishbowl."

She's right, it is. There are 21 windows.

And if she handles the family check-book, you might show her a few numbers:

24 mpg on regular. 35,000 miles on tires. 4 pints of oil, not 4 quarts.

If you can sell your wife on the VW Station Wagon, consider yourself a star salesman.

We certainly will.

Warns Colleges About Too Many Outside Plans

CHICAGO (AP) — American colleges and universities must guard against getting so involved in outside activities that they forget their real purpose of educating students, a noted educator said today.

Dr. Logan Wilson, president of the American Council on Education, said, "If all the outside demands were met, nobody would be left on many campuses except students and custodial workers."

Wilson, in a prepared address to the 20th National Conference on Higher Education, added:

"Whether it be eliminating poverty, reducing unemployment, improving morals, or getting a man on the moon, institutions of higher education are being drawn into a multitude of public concerns."

"Administrators and many faculty members are likely to be drawn into a gamut of peripheral service activities having to do with everything from the local chamber of commerce to the most distant foreign country."

Wilson said higher education

should not "engage in the futile endeavor of trying to be all things to all men."

There are some things, he said, that colleges and universities just can't do:

They can't transform native ability in any cross section of the population, there are some for whom higher education is simply beyond their mental grasp.

They can't substitute for families, neighborhoods and churches in reconstructing society morally and esthetically while leading it intellectually.

The real problem of colleges and universities, Wilson said, is knowing how to serve contemporary society without becoming subservient to it.

He suggested there should be "more insistence on adequacy and less rhetoric about excellence; more underpinning for basic programs and less dissipation of resources in a multitude of problems; more attention to strengthening the citadel of higher learning and fewer sorties into the countryside."

Plan Change In Pheasant Laws

HARRISBURG (AP) — Female pheasant would become legal prey in Pennsylvania, but the bag limit on male pheasants would be cut in half under proposed new game legislation now before the House.

Introduced Monday with Democratic sponsorship, the bill would slice the daily limit on male pheasant from two to one while dropping the season limit from 10 to 5.

At the same time hunters would be permitted to bag one female pheasant per day with a maximum of five for the season.

Family Of Five Killed In Blast

WOODBRIDGE, Ont. (AP) — An explosion and fire ripped an apartment above a wax factory Tuesday, wiping out a family of five.

The dead were identified as Fred Burnett, 33; his wife, Zelma, 21, and their three children, Bobby, 3; Terry, 2, and Shelley, 1.

The cause of the explosion was not determined.

YANK ADMITS HE WAS A SPY FOR RUSSIA

NEW YORK (AP) — Two months ago, soon after his arrest on charges he sold military secrets to the Soviet Union, Robert Glenn Thompson, 30, a former Air Force man, told newsmen:

"I never sold information to anyone. I've not been in contact with any Russian or anyone else like that. I am 100 per cent American and I always have been."

Monday, in U.S. District Court in Brooklyn, Thompson changed his plea to guilty and admitted he was a paid spy for six years, first in military life and later in civilian life.

He was continued free in bail of \$15,000 for sentencing May 13. He could receive a death sentence, but his new plea probably will win him a degree of leniency.

Outside the courtroom, Thompson, who owns a fuel oil business in Bay Shore, N.Y., told newsmen:

"I am guilty and I want to take what's coming to me. I feel relieved it's partially all over. I made a bad mistake when I was 23 years old. . . . I was stupid."

The government charged Thompson conspired to transmit U.S. military secrets to Russia from 1957-63 and received payments totaling \$1,700, although the U.S. attorney said Moscow spent much more than that.

EXPULSION OF TWO RUSSIAN

The Thompson case resulted in the expulsion of two Russians named in the indictment as co-conspirators: Boris V. Karpovich, an information counselor at the Soviet Embassy in Washington, and Fedor Kudashkin, who left for Russia in 1963 after service with the Soviet U.N. delegation and the U.N. Secretariat.

JOHNSON SIGNS APPALACHIAN POVERTY BILL

WASHINGTON (AP) — President Johnson signed into law Tuesday the Appalachia aid bill authorizing \$1.1 billion in federal funds for an economically distressed 11-state area.

The bulk of the funds, \$840 million, will be used to help build an improved highway network for the 165,000-square-mile region.

But the aid also will help finance new hospitals, timber de-

velopment programs, restoration of strip mine areas, vocational education and other projects.

Appalachia is defined in the bill as consisting of 360 counties in the 11 states, not all of them poverty-stricken but all containing disadvantaged families.

Each state will be represented on the commission. One chairman will be named by the states, and there also will be a federal co-chairman.

Washington can veto state proposals under the aid program, while a majority of states can block federal proposals. Any state can veto a project within its borders.

The designated Appalachia region includes all 55 West Virginia counties plus 33 in Ala-

A Bit Of History About Early Settlers

By E. F. M. MacPHERSON

THE JAMES — KIMMEL — POOLE FAMILIES

The study of the James-Kimmel family burial ground, located just off the "Old Annapolis" Road, east of Libertytown, in Frederick County, Maryland, is continued at this time.

According to Scharf's "History of Western Maryland," John James, who is buried in the family graveyard, and is designated on his tombstone as "The First Proprietor," was "prominent among the first settlers in what is now Frederick County. He (John James) entered a large tract of land on the headwaters of Ben's Branch and Linganoor. His granddaughter, Sydney Ann James, became the wife of the noted 'Linganoor Farmer,' and one of Maryland's ablest men, General Anthony Kimmel."

Margaret (3) James, the daughter of Daniel (2) and Lucy James, and granddaughter of the "First Proprietor," married Henry Poole, who lived on a neighboring plantation to the west of the James lands. At the top of a rather steep hill, south of the old Poole "mansion house," now in a deplorable state of neglect, is the Poole family burial ground.

This plot, some fifty by fifty feet in size, is enclosed by a well-built stone wall — with an entrance in the north side — facing the old house. It is thickly

overgrown with wild honey-suckle, briars and young trees. The ground is studded with groundhog holes and this may account for the disappearance of some of the tombstones. Here the dead were interred in rows and not too many years ago there were, at least, some "twenty or thirty markers" in the plot. Today only one can be found and it has been knocked or fallen from its base. It was erected to the "Memory of Henry Poole."

Henry and Margaret (James) Poole were the parents of the following children:—

1. Daniel (4) Poole — married into the Biggs family.
2. Margaret (4) Poole — married into the Jones family.
3. Lucy (4) Poole married Benjamin Nelson.

Note:—Located on the old Nelson farm, back of the Central Methodist church, on lands now owned by Miss Nettie Jones, is the Nelson family burial ground. Here, among others, are the graves of Benjamin and Lucy (Poole) Nelson. The inscriptions from the markers at their graves are as follows:—

1. "In memory of — Benjamin Nelson — Died July 13, 1849 — Aged 65 years."

Note:—This stone has fallen from its base and lies flat on the ground. It is not broken.

2. "Sacred—to the memory of — Lucy J. Nelson — Wife of

Benjamin Nelson — Died May 28, 1832 — Aged 36 years."

Note:—The third child and second daughter of Henry and Margaret (3) James Poole, who died at the comparatively early age of 36.

4. Matilda (4) Poole—married Nathan Nelson.

Note:—Married a younger brother of her sister's husband, Benjamin Nelson. Both were the sons of Henry Nelson, who came to Frederick County from Montgomery County, Maryland, about 1785.

Nathan and Matilda (Poole) Nelson are also interred in the Nelson family burial ground. The inscriptions follow:—

3. "In memory of — Matilda Nelson — the wife of — Nathan Nelson — Died December 31, 1852—Aged 52 years, 6 months — and 4 days."

4. "In memory of — Nathan Nelson — Born October 13, 1798 — Died September 22, 1875—Aged 76 years, 11 months — and 9 days."

Note:—The grave marker of Benjamin Nelson has fallen from its base — but it is not broken.

5. Dr. Bushrod (4) Poole—no further data.

6. Joseph James (4) Poole—married into the Slingluff family.

7. Henry (4) Poole died in infancy and was undoubtedly buried in the family graveyard in a grave that is now unmarked.

8. Thornton (4) Poole—born August 8, 1810 — died June 23, 1886 — married Rachel Owings.

Note:—Both Thornton (4) Poole and his wife are buried in St. Peter's Roman Catholic churchyard at Libertytown.

School Board Has A Bible Problem

LEBANON, Pa. (AP) — The Lebanon School Board plans to meet on Monday to consider a charge that Bibles made available by the Gideon Society are being distributed to pupils.

Henry M. Uhler, board president, Tuesday denied the charge, contained in a letter from Spencer Cox, executive secretary of the Pennsylvania unit of the American Civil Liberties Union.

In October, 1960, the board adopted a resolution providing that Bibles be made available for fifth grade children, but not directly distributed to them.

Maryland. The inscription from the marker at their graves follows:—

1. "In memory of — Thornton Poole — Died June 23, 1886 — Aged 76 years."

"Rachel Ruth, his wife — Died December 10, 1886 — Aged 74 years."

Returning to the James — Kimmel family burial ground — a row of graves along the south wall of the plot — are of unusual interest. Here are interred five of the six children born to General Anthony Zaarr and Sydney Ann (James) Kimmel. At the far end—in the southwest corner, a stone completely missed by other "graveyard historians" because it was buried under some two inches of "top soil" was "dug out" about a month ago.

This grave marker, a beautiful piece of marble, covers an entire grave. Cut thereon is a long but self-explanatory inscription. It paints a vivid picture of a pioneer wife and mother — who buried five of her six children before she too died at the age of 42 years. The complete inscription follows:—

— "Aquila Captat Non Muscas."

"Sacred — to the memory of — Sydney Ann Kimmel — the beloved wife of — Colonel Anthony Kimmel — (A native of the City of Baltimore). — The only daughter of — Major Daniel James and Margaret, his wife. — Born April 28, 1806 — Married October 19, 1822 — Died August 24, 1848 — Aged 42 years, 3 months, and 26 days."

"To whom was born — Alfred James Kimmel born November 22, 1823."

"Hampton James Kimmel—born December 22, 1825."

"Edmund Clemson Kimmel born February 21, 1831."

"Marion Louise Kimmel born August 28, 1833."

"Anthony Zaarr Kimmel born July 22, 1826."

"Her charity like that which Paul enjoined."

"Was warm, beneficial, and unconfined."

"Cold is the grave wherein she lies."

"But that which warmed it once shall never die."

"Weep not, she says, at Nature's Transient ruin."

"Congenial spirits part to meet again."

The Kimmel — James notes will be continued in this column next week.

Maddening Quicksand Of 6 Times In Saudi Arabia

By ELIAS N. ANTAR
RIYADH, Saudi Arabia (AP) — Taking a plane to Saudi Arabia is more than just a way of getting there. It is a time machine that catapults you into a maddening quicksand of about six different times.

The system under which Saudi Arabians set their wristwatches to half a dozen times often leads to confusion and missed appointments.

Take Arabic time, for instance. Every day at sunset, as the muezzin calls the faithful to prayer, everyone adjusts his watch to 12 o'clock. No one knows whether it is supposed to be midnight or noon, but it really makes no difference. No matter what the clock says, few people believe it is a new day until they see the morning sun.

TENT TIMES DIFFER

It is about 850 miles between the kingdom's west and east coasts, with mountain ranges in between that makes for early sunsets. Practically every Bedouin tent keeps a different time.

Since the sun sets at different times from day to day and season to season, a man may realize at the end of a lifetime that he has gained—or lost—a few good years this way.

Then there are the foreign or outside times. In Jiddah, on the Red Sea, you can use Greenwich Mean Time with three hours added, Western sun time—you adjust your watch to 6 o'clock instead of 12 at sunset every day—Zulu time, which is just plain Greenwich Mean Time, or any other time you care to anchor yourself to.

THINGS BREAK DOWN

Most of the foreign community staggers along confusedly on Western sun time. Local ways say Western sun time was invented by the British Embassy because it refused to serve cocktails at 12 o'clock.

While this arrangement may be fairly firm on the coast, in the interior things really break down. In this capital, visitors generally use Greenwich Mean Time plus 3½ hours, give or

ARTIFICIAL HEART DESIGN IS HIS GOAL

PHILADELPHIA (AP) — A project engineer has taken a leave of absence from his job and gone into debt in an effort to design an artificial heart on "basic engineering principals."

Vincent T. Mammarella, 36, (of 519 Tasker Ave.) suburban Norwood, began his project three years ago after reading of a medical research team that had worked on an artificial heart in Cleveland. That effort succeeded in placing a man-made heart in a dog, but the animal died 26 hours later of a blood clot.

"Their approach violated basic engineering principals," Mammarella said. "They seemed to think the artificial heart had to look like a heart, when all they really needed to do was to reproduce its function."

He now has a working model of his artificial heart project, the sole asset of a corporation he formed last year with his brother, Anthony, and a former associate at Clifton Precision Products.

WOULD GIVE RESULT

The model uses a series of pressure-plates to gently push the blood through tubes of silicone rubber—a pumping system he feels would not damage the delicate corpuscles within the blood.

The artificial heart also includes separate inlet and outlet tubes for each of the two pumping systems and a control system to match heart activity with the body's needs under various conditions.

The model is far too large to be installed within the human chest, but despite his financial problems with the project Mammarella has declined several offers to work in the research departments of major corporations.

"If there's anything here that can be patented, I want to be able to get the patent myself—and then declare it in the public domain," he said. "That's the only way an artificial heart will be cheap enough."

Amembership award will be presented to the club member who secures the largest number of new members for the club. All girls from ages nine to 19 and parent are invited to attend.

The Lutheran Church Women of Zion Lutheran Church will meet this evening at 7:30 o'clock as follows: Meeting at the church will be Circle 1, Mrs. Irene Inskip, leader; Circle 2, Mrs. Sara Snyder, hostess, and Mrs. Dorothy Newman, leader; Circle 4, Miss Sarah Miller, hostess, Mrs. Betty Lauffer, program leader.

Circle 3 will meet at the home of Mrs. Mabel Bream, who is both leader and hostess. A taped program will be presented as well as regular Bible study. Circle 5 will meet at the home of Mrs. Esther McGlaughlin, who is also program leader. Mrs. McGlaughlin and Mrs. Lois Taylor are hostesses. Circle 6 will meet at the home of Mrs. Mary McClellan with Mrs. Jean Hammett as program leader.

CRIME RATE UP

WASHINGTON (AP) — The crime rate in Pennsylvania's cities generally increased in 1964 along with the national rise of 13 per cent, the FBI says.

An FBI report released Tuesday stated there were 250,000 more serious crimes last year than in 1963. The report listed crimes in cities with populations of 100,000 or more—including Allentown, Erie, Philadelphia, Pittsburgh, Reading and Scranton, Pa.

Property Losses In Accidents Increase

HARRISBURG (AP) — The Traffic Safety Bureau reports that property damage from vehicular accidents in Pennsylvania climbed to more than \$42 million in the first six months of 1963—an increase of 14.4 per cent.

Figures for the last six months were not available.

The bureau said Tuesday property damage was up in all counties except Chester, Jefferson, McKean and Pike. In Philadelphia, damage totaled \$6.8 million, up 9.3 per cent, and in Allegheny County, damage totaled \$5.8 million, up 31.2 per cent.

U.S. Ponders Turning 7th Fleet Against Red Boats Carrying Arms To V. Nam

By FRED S. HOFFMAN
WASHINGTON (AP) — U.S. officials are mulling over whether to turn loose the powerful 7th Fleet to try and cut off the movement of boats, laden with arm arms and men, from Communist North Viet Nam to guerrilla-controlled points on South Viet Nam's coast.

The Pentagon also is in a mood to give the Far Eastern naval force added punch by increasing its present group of three aircraft carriers on station in the South China Sea area.

Both actions apparently will depend on recommendations from Adm. U.S. Grant Sharpe Jr., the top U.S. commander in the vast Pacific theater.

IGNORING JUNKETS
The U.S. Navy has not been intercepting Communist junk and cargo boats which have been hauling war equipment and men down the Vietnamese coast and landing them in guerrilla-held areas.

South Viet Nam's fleet of 556 armed junks has been unable to cope with the vessels that ply the coastal waters. Over-all, about 72,000 junks operate in the South China Sea off North and South Viet Nam.

The State Department's white paper of Feb. 27 said a North Vietnamese "maritime infiltration group" is sending men and weapons southward in increasing volume.

FEAR PUNISHMENT
The objective in gradually stepping up U.S. military activity has been to "signal" the other side that it had better desist before it is punished heavily by U.S. armed might.

However, reports indicate the Communists have not begun to slow down their aggression in South Viet Nam.

If anything, they have increased the intensity of attacks in some areas of South Viet Nam, including the region around the key U.S.-South Vietnamese air and naval base at Da Nang.

It was this increased Red activity that led to the use of U.S. jets against the Communists inside South Viet Nam, and to the deployment of a Marine expeditionary force of 3,500 men to protect Da Nang.

BACK SECURITY
The two Marine battalions just sent into South Viet Nam are intended only to furnish added security for Da Nang, not to undertake offensive operations against the Communists.

Whether more U.S. ground combat units will be landed in South Viet Nam will depend on

future events. There now are about 27,000 American military men in the country, mostly advisers and logistics specialists.

Top U.S. officials still are disposed against the idea of committing major U.S. ground combat forces on the Asian mainland, but this is not entirely ruled out.

American authorities have rechecked Red China's huge ground armies, numbering more than 2 million men.

5 SENTENCED FOR ATTACK

PHILADELPHIA (AP) — Judge Juanita Kidd Stout imposed detention sentences on Monday on seven Negro boys who were charged with attacking a 15-year-old white girl in a downtown subway station. An eighth boy was placed on probation.

Judge Stout dismissed a motion by the district attorney's office to move the case to Quarter Sessions Court, where the boys could be tried as adults.

"We can give swifter justice here than the district attorney's office can," she said. "This was a savage case and justice must be swift."

The girl, whose identity was withheld, suffered slight injuries and her clothing was torn in the assault Saturday night. A medical report indicated she was not raped. The gang was driven off by the arrival of a pistol-wielding police officer.

Judge Stout imposed the maximum sentence — commitment to the State Correctional Institution at Camp Hill until the age of 21 — on five of the boys: Sidney Hall, 16, Gregory Parker, 15, Frank Harris, 15, Kenneth Young, 15, and his twin brother, Stephen, all of Philadelphia.

BUCHAREST, Romania (AP) — Communist Romania's government says it won more than 99 per cent of the vote in Sunday's national parliamentary elections.

President Gheorghe Gheorghiu-Dej, the Communist party chief, got the votes of all but four of the 34,690 registered voters in his Bucharest constituency, the news agency Agerpress reported.

TOKYO (AP) — Communist Chinese President Liu Shao-chi has accepted an invitation to visit Pakistan, according to a New China News Agency broadcast monitored Sunday in Tokyo.

NAB EIGHT MEN IN DEER KILLS

HARRISBURG (AP) — The State Game Commission Monday night announced the arrest of eight Bradford men on charges of violating various game laws in McKean and Warren Counties.

Thomas F. Bell, chief of law enforcement for the commission, said the arrests were made over the weekend, climaxing a four-year investigation into the alleged illegal slaying of deer.

The commission identified the men arrested as Kenneth Dollinger, John Stabile, William R. Rokosky, Billy Green, Mayhlon Troutman, A. Fatty Pascarella, James Pascarella and Joe Pascarella.

Dollinger was charged with nine violations in McKean County and three in Warren County.

The three Pascarellas paid fines of \$100 each for the illegal possession of deer in closed season, the commission said.

Hearings in the other cases are scheduled to get under way March 15 in McKean County.

PRICE SUPPORT PRODUCTS OFF

WASHINGTON (AP) — The Commodity Credit Corporation reported Tuesday that its investment in surplus farm products under price support operations on Feb. 1 was down \$610 million from a year earlier.

The amount of government money tied up in farm products this year was \$7,582,171,000 compared with \$8,192,620,000 on Feb. 1 last year.

Secretary of Agriculture Orville L. Freeman has appointed a task force to implement recommendations of a civil rights commission report criticizing the Agriculture Department.

The commission said that in some southern states, federal farm programs were being administered in a way that discriminated against Negro farmers.

Members of the task force are six department officials. Corn exports reached a record high of 19.5 million bushels in the first full week after the dock strike was settled in most ports.

The Agriculture Department said more than 14 million bushels were shipped out of the New Orleans and Mobile area with more than 5 million out of Atlantic ports.

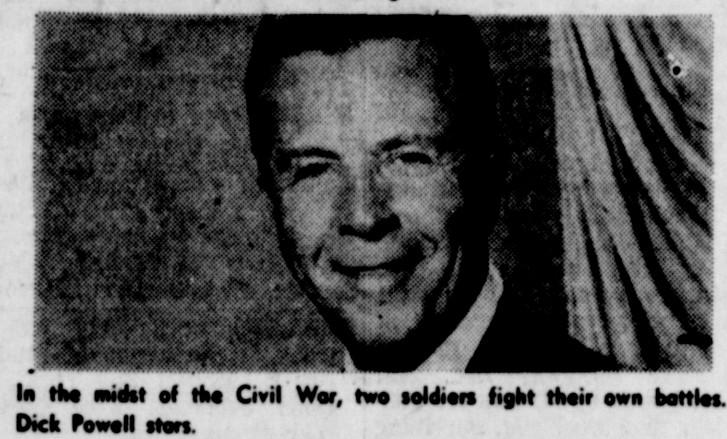

SEOUL, South Korea (AP) — An armed Communist North Korean boat smuggling agents into South Korea was captured off the east coast on March 5, the Central Intelligence Agency announced Tuesday.

The agency said the South Korean navy captured six men aboard the 50-ton vessel. A search was under way for two agents who were landed near Samchok, 100 miles east of Seoul.

Mr. and Mrs. John Smith and daughter, Joan, E. Baltimore St., were Sunday dinner guests of Mr. and Mrs. Atlee Wampler in Westminster.
